

ANOTHER IN THE SERIES of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

## Cotton from Hamlin Region Rates High in Quality Tests

### Strength Factors To Affect Price of Staple in Future

Quality of Hamlin area cotton is of average rating, according to tests recently made at Austin.

Tensile strength and fineness of fiber of the 1955 cotton crop in 11 West Central Texas counties are rated close to "average" for both qualities. This information was revealed in a release Thursday from the Cotton Economic Research of the University of Texas. The test data covers both the 1954 and 1955 crops and from cotton that was ginned after October 10 of both years.

These two factors could influence the price the producer receives.

The comparatively new micronaire method of determining the fineness of fiber was used by the research department in tests for both years.

Micronaire units are now looming large in the price which a grower may expect to receive for cotton. Spinners are placing as much or more stress now on fiber length (uniformity), fiber strength (in thousands of pounds to the square inch), fiber fineness (microns per inch of fiber), and fiber maturity (percentage of maturity), as on grade.

Fiber fineness of 4.0 to 4.9 micronaire units is considered average. Fiber of 3.9 micronaire units or below or 5.0 or above could mean a loss to producers.

The Cotton Economic Research tests show all 1955 cotton in the

See AREA COTTON—Page 3

## Youths of City's Churches to Conduct New Kind of Trick or Treat Campaign

The youth of Hamlin churches will be out on a different kind of "trick or treat" Sunday evening.

They will be collecting "treats" for others in the form of cash. The money collected will be turned over to Christian Rural Overseas Program (CROP) for powdered milk, according to officials of the Hamlin Ministerial Alliance, under whose sponsorship the drive is being made.

The money will be sent to the CROP headquarters in Austin by each youth group. Each dollar that is collected will buy 300 worth of government surplus powdered milk. Thus the needy and starving people of the world will be aided, as well as helping to ease the surplus problem in our own country.

Hamlin will be zoned off for the various church groups. The collections will be made after the worship services Sunday night. The program is being worked through the different churches and pastors of the city.

"We believe this is a remarkable spirit manifested by the youth of our town," said a representative of the Alliance. "They are thinking of others and what they can do to meet their needs. We feel sure that the citizens of Hamlin will respond generously to their call."

Each youth collector will wear a badge saying that he is an official collector for CROP. The badges will be given out Sunday evening.

His Father: "I hope he makes a fullback!"

His Mother: "Just think! My little darling is almost grown up!"

His Older Sister: "That means I've got to walk to school with him and can't go with the kids."

His Teacher: "I hope he's smarter than he looks."

His Neighbor: "What a relief! Now we can have peace for a few hours a day!"

His Dog: "Yo-o-o-ow-l-l-l!"

HAVE YOU BEEN  
A GOOD SCOUT?

### 4-H Club Council Sets Dates for Christmas Party and Exhibition

Plans were made for the annual achievement event and Christmas party when members of the Jones County 4-H Club Council met Saturday in Anson. Officers for the ensuing year also were elected by the group.

The following officers were elected: Glen Irvin of Noodie, chairman; Nelda Herron of Noodie, co-chairman; Ronnie Seesebe of Anson, secretary-treasurer; and Jerry Smith of Hamlin, reporter.

November 14 was set as the date for the achievement event, and December 16 was set as a tentative date for the 4-H Club Christmas party.

The 4-H Club Council is made up of the president and one elected delegate from each boys' and girls' club in the county. It is operated under supervision of Bill Lehmberg, county agent, and Jimmie Lou Wainwright, county home demonstration agent.

### First Garden Show Slated Saturday At School Cafeteria

Elaborate plans for the Hamlin Garden Club's first Flower Show were shaping this week as the event scheduled Saturday afternoon and evening shaped. Officials of the group announced the middle of the week.

The Hamlin High School cafeteria will be the site for the show, which will be open from 2:00 until 8:00 p. m. to the general public. Flower arrangements will be featured in 11 different classes. Also single specimens of flowers and vegetables will be displayed for the perfection of each.

There will be a space reserved for those not members of the club to bring flower arrangements and specimen blooms of flowers, shrubs and vegetables for display. All are welcome, club leaders declare but only the displays of the Garden Club will be judged.

A division for juniors is being arranged, and all boys and girls from the ages of six through 12 are invited to enter fruit, flower or vegetable exhibits. Mrs. C. R. Lovell is in charge of this group.

Guests to the show will enter an autumn gate and follow a garden path through rows of flowers grown in the Hamlin area.

### New Parking Stripes Painted This Week

New parking space stripes were being painted along the main streets of Hamlin this week adjacent to parking meters. The spaces, a little larger than most cities' parking spots, will make parking easier.

Crews of the State Highway Department last week painted new traffic lane stripes on Central Avenue and Lake Drive.

### No Coordinator for City Engaged by Special Council

Special called meeting of the Hamlin City Council Tuesday evening, called for a conference with a prospective city coordinator, failed to produce a new man. The city place has been vacant since the September 15 resignation of Roy Dunlap, who has moved to Snyder to become city manager. Other applications for the place will be considered according to Mayor Willard Jones.

Inventory of city property not already leased for oil is being completed, it was announced, with the purpose of basing the balance of the property. The city holds more than 1,000 acres of land. Money rent contracts are being perfected on the property for grazing and cultivation as a continuing revamping of rental contracts, it was revealed.

\$10-per-month raise in salary of Nightwatchman Jesse Miller was approved by the councilmen. Impromptu discussions on acquisition of a new city hall, as well as the repair of property already owned by the city to house the city's offices, were conducted by the group. The present offices are rented on a month-to-month basis.

Delivery of a recently acquired war surplus fire truck from Tulsa, Oklahoma, was announced, as well as notification of delivery soon of the new fire truck from the Central Fire Truck Company of St. Louis, Missouri. The new equipment will provide new credits on insurance rates, it was pointed out by councilmen.

### Calvary Baptists Schedule Birthday Gathering Sunday

Members of the Calvary Missionary Baptist Church, on South Central Avenue, will host a homecoming Sunday in observance of the sixteenth birthday of the congregation according to Rev. W. C. Bea, pastor.

Members of the church will be hosts to scores of former members and visitors who are expected to attend the all-day celebration.

Schedule of services for the day has been released by church leaders as follows:

10:00 a. m.—Sunday School.

11:00 a. m.—Morning worship with the pastor, Rev. W. C. Bea, preaching.

12:00 noon—Lunch for everybody at the church.

1:20 p. m.—Singing, followed by devotionals by Bro. Pearce at 2:45. Special song will be given by an Abilene trio.

2:30 p. m.—Message by Rev. V. E. Nunn of Abilene.

JUNIOR CHAMPION STEER—Lile Lewter, 10-year-old Lubbock lad, is shown with his 1,150-pound steer, "Punkin," which was named junior champion steer at the American Royal Livestock and Horse Show in Kansas City.

## Dr. Willis A. Sutton Sets Busy Monday

Busy day is in store for Dr. Willis A. Sutton of Atlanta, Georgia, internationally known school administrator and counselor, next Monday, when he comes to Hamlin for the third time to speak on school problems.

Dr. Sutton will speak to various groups of students and teachers at the school, according to B. V. Newberry, high school principal, who is arranging schedules for the day in the high school, beginning at 9:00 a. m.

Hamlin Lions Club members and guests will be addressed at the noon hour by Dr. Sutton. The school administration expressed appreciation of the Lions' arranging their meeting on Monday in order to have the man as the speaker.

An evening program in the high school auditorium at 7:30 o'clock will be addressed by Dr. Sutton. The parents, teachers and other people of the community are urged to attend this program, as Dr. Sutton has requested a chance to meet and talk to the parents and teachers of the school, according to Foster Cook, superintendent of schools. He urges the students of Hamlin to insist that their parents and friends attend the evening meeting.

Cook declares that Dr. Sutton is the outstanding counselor of students, teachers and parents of the age. "He will appreciate very much this fine community's giving the educator a good hearing," Cook stated. "People of the area who do not hear Dr. Sutton will be the losers," he averred.

RETURN FROM VISIT.

Mr. and Mrs. W. B. Cotten and sister, Mrs. T. T. Brady, returned last week-end from visiting a son and his family at Lake Charles, Louisiana, and with other relatives at Houston, Austin and Livingston.

While Stamford and Hamlin officials feel that they have solved the water problems that had long plagued two major towns of Jones County, Anson has entered into the picture with conversations last week-end with Stamford city leaders.

Stamford offered to sell water to Anson at five cents per 1,000 gallons at Lake Stamford and regulate other details in connection with the project.

This action was taken by the Stamford City Council Friday afternoon after a committee from Anson had met with the council and asked what Stamford might be able to do to help Anson meet its water problem.

Mayor G. C. Carothers of Stamford called Dr. Knox Pittard, spokesman for the committee after the action was taken. Going to Stamford were Dr. Pittard, Harry Carmichael and Earl McCaleb, who had been named by the Anson City Council to see what could be done.

The offer of five-cent water at the lake was as far as the Stamford council could go in quoting price, and a number of other details would have to be worked out before action could be taken, the council decided.

In addition to the price for the raw water at the lake, 15 miles northeast of Stamford, there would be rent on pipelines, pumping charge, rent on pumps and other details.

Anson's average consumption

See ANSON WATER—Page 3

### Cotton Pickers Short In Hamlin Territory

A shortage of cotton pickers in the county, typical of that experienced in the Hamlin area, was hampering cotton harvesting in Jones County, according to the latest farm labor bulletin of the Texas Employment Commission.

Shortage of some 300 workers was reported for the Jones County region. Other area counties were reporting greater and lesser need for pickers.

The offer of five-cent water at the lake was as far as the Stamford council could go in quoting price, and a number of other details would have to be worked out before action could be taken, the council decided.

In addition to the price for the raw water at the lake, 15 miles northeast of Stamford, there would be rent on pipelines, pumping charge, rent on pumps and other details.

Anson's average consumption

### One Fire-Fighter Arrives, Second Due Here Soon

Hamlin will be in line for new fire insurance credits within a few days, according to city officials, who announce the addition of two new pieces of equipment to the fire fighting facilities of the Hamlin Volunteer Fire Department.

Arrival last Thursday of a war surplus fire truck from Tulsa, Oklahoma, provided three trucks for the department. The piece of equipment, originally purchased for the Army Air Force, cost \$14,000, about eight years ago. It was purchased by the city for \$2,500, following a demonstration at Tulsa 10 days ago before Fire Chief Lee Hastings and City Fire Marshal T. W. (Mickey) McGuire. The truck, a Seagraves special eight-cylinder pumper, is equipped with four CO-2 cylinders which are especially effective in fighting oil and gas fires. It will carry 1,200 feet of three-inch hose, as well as other chemical and water-tank hose and accessories.

Word was received Monday by Mayor Willard Jones that the new fire truck being manufactured by Central Fire Truck company of St. Louis, Missouri, will be ready for delivery within a few days. It was contracted for two months ago by the City Council at a cost of about \$13,000. It is being built on a Dodge chassis. More than 1,000 feet of new three-inch hose and 700 feet of 1½-inch hose has been ordered for the new truck.

Appointment with a Texas Fire Insurance Commission inspector of the new equipment has been sought when the new truck arrives, probably next week, city officials said.

With arrival of the new truck, the old 1927 model American LaFrance pumper will be taken out of service by the city.

With three efficient fire fighting pieces of equipment, Hamlin is destined to get new fire insurance rate credits, it is announced by city leaders.

VISIT FROM NEW YORK.  
Mr. and Mrs. Oscar Owen Jr. and twin son and daughter, DeLores and Douglas, of Long Island, New York, visited in the home of their aunt and uncle, Mr. and Mrs. Ira Clements, on Tuesday of this week.

Who's New  
This Week

Six new citizens have been recorded at Hamlin Memorial Hospital since last report in The Herald. Three girls and three boys, they are:

A girl for Mr. and Mrs. C. E. Jennings of Hamlin arrived October 13 at 12:15 a. m. Weighing seven pounds 11 ounces, the little miss has been named Sheran Denice.

A boy for Mr. and Mrs. H. B. Carter was born October 13 at 8:07 p. m. Tipping the scales at seven pounds 11 ounces, the young man reported that Henry Steven would be alright for a name.

A girl was born to Lola Bea Sparks of McCauley October 16 at 11:58 a. m. After having her weight checked at five pounds five ounces, she accepted the name Debbie Nell.

A boy for Mr. and Mrs. Stanley Olyer of Hamlin discovered America October 16 at 2:50 a. m. He has been named Gary Duane.

He balanced the beam at six pounds two ounces.

A girl arrived for Mr. and Mrs. Fred Roseberry of Abilene on October 18 at 9:17 a. m. Weighing six pounds 11 ounces, she has been named Carol Jean.

A boy for Mr. and Mrs. Lloyd Bowen of Sylvester arrived October 19 at 10:49 a. m. Weighing a hefty eight pounds five ounces, he has been named Johnny Glen.

## **"LET'S CANCEL OUR ADVERTISING AND SAVE"**

Advertising's position in industry today is comparable with other business essentials like purchasing, planning, operations and selling.

There are, however, a few die-hards left over from the old school who look upon advertising as the glamor end of the business world. So, when things need tightening and operations require streamlining, the word passed down from on top is "Let's cancel the advertising."

Of course, this is rarely done. If the advertising program does go into a tailspin, it is usually a temporary one. Clearer thinking and calmer reasoning asserts itself, and often, the advertising program is strengthened rather than strangled.

For advertising is as much today a part of the business picture as the legal department, the accounting department, the sales force.

But—now this is in the realm of speculation—suppose the edict "Let's cancel the advertising!" spread with the uncontrolled fury of a prairie fire. Suppose it was taken seriously in more than just a handful of firms. Suppose canceling the advertising became the business order of the day. What happens then?

Advertising is the life-blood that sustains newspapers, magazines, radio, television, and—to a large measure—the post office, too. Direct mail gives the government a handsome income for postage.

With no advertising, magazines and newspapers could not exist. Circulation subscriptions alone could not keep the presses humming. Neither could free air time keep the air waves vibrating with news and entertainment.

You'd have no news. You'd get no word of what's happening in the world. Your day would begin and end with monotonous regularity; you'd feel as though you were living in a vacuum.

Soon, a newspaper would appear here and there. Its price wouldn't be a nickel or dime—it would be fantastically high. Every copy would be handed from person to person—would be black marketed for many times its original high price.

But aside from the public interest that advertising develops, the prime function of advertising would be missed. Advertising sells goods and services. Without advertising, goods and services would not be made—or sold.

## **RECALLING Other Years**

Being news items taken from old files of Your Home Town Newspaper, The Herald

### **TWENTY YEARS AGO.**

News items of interest in the Hamlin community 20 years ago included the following, reprinted from the issue of The Hamlin Herald dated October 25, 1935:

Dickie Elam was honored on his seventh birthday with a party in his parents' home Friday. Attending the affair were Bobby Hardin, Sammy Joe Vaughan, Bert Fuller, Tommy Williams, Joe W. Niedeecken, Jerry Frank Waggoner, Jimmy Feagan, Linda Hall Beard, Ida Frances Roberts, Anna Margaret McBride, Sissie Williams, Jeannette Johnston, Barbara and Naomi Ruth Young, Patsy Ruth Wells, Verna Mae Colwell, and Dickie Elam.

Mr. and Mrs. R. M. Delk and son, Euell, and Mr. and Mrs. C. A. Miller of Waxahachie were guests Saturday and Sunday in the home of Mr. and Mrs. J. C. Culbertson.

Creed Smith has bought the Service Barber Shop, and will have with him J. Oliver Jones, a former old-timer here.

The new Ford V-8 for 1936 has been put on display in Hamlin. Price of the coupe is \$510 f. o. b. Detroit.

Jack Holt was featured at the Ferguson Theater in "Storm Over the Andes."

### **TEN YEARS AGO.**

From the issue of The Hamlin Herald dated October 26, 1945, the following news items of interest in the community 10 years ago are reproduced:

Mrs. Ina Tins and son, Sergeant Roy E. Tins, and daughter, Bobbie Tins, Mrs. M. J. Tins, Mr. and Mrs. J. E. Lawson and daughter, Mrs. J. S. Sikes and daughter, Fred Ellis of Abilene were here Sunday to visit Mr. and Mrs. T. W. McGuire.

Mrs. Fred Carpenter and son, Tommy, went to San Antonio Friday to attend the funeral of Mrs. Carpenter's brother-in-law, I. D. Williamson, who died Thursday.

Nine years and one day of service for Uncle Tom have been marked up by the three sons of Mr. and Mrs. B. H. Gardner of Hamlin. The sons are Tech, Sergeant Harry Gardner Jr., who is in the Army; Staff Sergeant Edward W. Gardner, who is in the Service Forces; and Corporal Robert C. Gardner, who is in the Army Air Force.

Mr. and Mrs. John C. J. and little son have gone to Hobbs, New Mexico, to make their home. He is assuming the management of the Acme Lumber Company.

## **Cleanliness Factor in Eats**

The questions "When do we eat?" and "Where shall we eat?" are asked thousands of times a day by workers, shoppers and those eating out for pleasure. The answer may be based on many factors, but cleanliness should be high on the list, according to Dr. Henry A. Holle, Texas commissioner of health.

While there may be exceptions, an eating place that presents a neat and clean appearance to the patron is usually similarly maintained throughout. On the other hand, you can be sure that where the exterior, dining area or counter are slovenly the kitchen is no better.

Appearances are usually a reflection of the operator's personal attitude. Carelessness in personal neatness and hygiene, and in the cleanliness of the establishment is invariably accompanied by careless and insanitary handling of the food served.

Everyone should know the important sanitary hazards to look for and avoid. We might well ask ourselves the following questions: Do the serving personnel have clean hands, clean washable clothing? Are they free of bandaged fingers, coughs and colds? Is all perishable food kept really hot or well refrigerated? Are flies absent? Is food kept covered? Are the dishes and glasses clean to sight and touch? If all of these questions can be answered "yes," the chance of food poisoning or intestinal upset is remote.

## **How to Help a Boy**

All of us are anxious to help boys. Sometimes we are tempted to forget that what a boy becomes is the product of what he does, not of what other people undertake to do in his behalf.

Doing things for a boy may not help him. It may merely make him more dependent and helpless. The most lasting help we can give him is to teach him to do for himself. As A. Lawrence Lowell has put it, "You may aid the boy, you may guide him, and above all, you may inspire; but the only thing that is worth having is what he gets by his own exertions, and what he gets is proportionate to the effort he puts into it."

Scouting is a sound method of helping boys to acquire study self-reliance and the ability to take care of themselves and others.

The Boy Scout movement needs a broader scope of work in the Hamlin community. It needs grown men interested in the things Scouting is doing for boyhood today that will be our manhood tomorrow.

## **Doing Your Job Well**

There is no surer test of a man's nature than the spirit in which he receives criticism. One whose interest in his work is personal, and lies in a pride in his way of doing it rather than in the excellence of the thing done, resents criticism as an attack on himself. On the other hand, one whose chief interest is in the work and not in himself, welcomes criticism because it may help him to secure a higher degree of efficiency.

Great workmen have found their delight in their work, not in the recognition it received, nor in the material rewards, although these are never acceptable.—Adapted from Good Business.

## **Editorial of the Week**

**WHO DO MEN LIKE DOGS?**

When psychologists start to dig into ordinary, "normal" human motivations, they often seem to feel that they have to use a long-handled shovel. Among the latest groups of citizens subjected to a psychological excavating job are America's twenty million or so dog owners. There used to be a naive notion that a lot of people like dogs because of the pups' affection, loyalty and companionship, just as dogs feel that some of their best friends are people. According to recent psychological surveys, however, the odds are six to one that the relationship is more complicated.

Joseph Kaselow, writing in The New York Herald-Tribune, reports that the N. W. Ayer advertising agency, in the interests of manufacturers of dog food-and-care products, queried a number of prominent psychologists "to find out why people have dogs." Ayer found, according to Mr. Kaselow, that there are "six main reasons for dog ownership." The first five "types of dog owners" dug up by the psychologists are motivated by such things as desire to "show power of masterfulness," inferiority complexes; wish for parent-child relationship; psychological relaxation, based on lack of intellectual competition; ambition to have the dog improve his (the owner's) social position.

The sixth type of dog owner, Ayer reports, is the only one that caused the psychologists professional frustration. These are people who just like dogs. These surveys do not settle the whole matter, of course, but they do suggest an even more interesting field of analysis: the real reasons behind a psychologist's decision to become a psychologist.—The Saturday Evening Post.

## Veteran Rotarian Reviews Work of Clubs in Territory

A review of accomplishments of Rotary Clubs in this area was presented by Bernard Bryant of Stamford, when the Hamlin Rotary Club met Wednesday noon at the oil mill guest house in regular weekly session. He is the oldest Rotarian in the district in point of service, having been a member for more than 35 years.

Bryant declared that he had been instrumental in organizing Rotary Clubs at Spur, Post, Abilene, San Angelo and Hamlin.

The Stamford civic and church leader for many years pointed to the four lanes of Rotary: Club service committee, program committee, classification committee and vocational services.

Jerry Jay, Hamlin High School junior, was recognized as the Junior Rotarian for the month.

Besides Bryant and young Jay, other guests at the Wednesday luncheon included Charles Caudle, George Hines Jr. and Bill Ledbetter of Abilene; James L. Waggoner, John Thornton and W. R. Terry of Stamford.

## AREA COTTON

(concluded from page one)

area is of average strength or better and all of it comes within to 4 to 4.9 micronaire unit range.

Tensile strength of samples tested by the Cotton Economic Bureau were "very strong" from Snyder, Anson, Stamford and Roby, with the latter showing the greatest strength, 90,000 pounds to the square inch.

Samples rated "strong," 81,000 to 86,000 pounds to the square inch, were from Munday, Rotan, Colorado City, Big Spring, Peacock, Weinert, Haskell, Hamlin, Rochester, Sweetwater, Bellinger, Trent, Miles, Hermleigh and Wingate.

It was rated "average," 75,000 to 80,000, from Walls, Winters and Abilene.

The lowest micronaire unit reading was 4.0 on samples ginned at Walls. Cotton from Colorado City, Roscoe, Abilene, Stamford, Weinert, Hamlin, Miles, Sweetwater, Hermleigh and Wingate rated 4.1 units. A reading of 4.3 units was reported on samples from Rotan and Big Spring.

Samples from Munday, Roby, Peacock and Trent were reported at 4.5 units. Anson and Rochester cottons were highest at 4.6 units.

All of the readings were within the "average" range.

In 1954, considerably drier in spots, samples produced some fibers of "superior" tensile strength. Tests of samples from Snyder, Rochester and Roby rated "superior."

Strength of samples from Munday, Winters, Colorado City, Roscoe, Abilene, Anson, Sweetwater, Stamford, Weinert, Hamlin, Bellinger and Hermleigh was rated "very strong." All 1954 tests showed tensile strength above average.

### VOITS IN HAMLIN.

Mr. and Mrs. Allen Burse of San Diego, California, and Mrs. Audrey Hollis of Granbury were visitors Thursday of Mr. and Mrs. Roy Merdian in Hamlin. Mes. Burse and Hollis are former schoolmates of Mrs. Mauldin at Sylvestor.

## Kick-Off Dinner Monday Initiates Methodist Crusade

A kick-off dinner was held Monday night at the First Methodist Church as the climax to the Sunday School attendance crusade of that congregation. Judge H. G. (Pete) Andrews of Jones County was the speaker. His theme was from the story of Jonathan and David, a friendly visit in behalf of the Sunday School.

More than 40 people will be visiting Sunday School prospects during the next three weeks, according to the pastor, Rev. Daris L. Egger. A goal of 230 average attendance has been set for October, November and December. In connection with the crusade a contest is on between Rotan and Hamlin First Methodist Church Sunday Schools for this three-month period. At the present time Rotan leads by three and one-fourth. The loser in the contest will be host to the other church in a worship service and fellowship supper.

Richard Young is the general chairman for the Sunday School attendance crusade. Working with him on the steering committee are W. T. Johnson, Sunday School superintendent; L. H. McBride, chairman of the commission on education; and the pastor.

The crusade is expected to increase the Sunday School attendance by a good margin, church leaders declare. The educational phase of the crusade attendance closes this week, and the visitation of prospects will complete the active campaign.

## Hamlin Girls Will Observe FHA Week With Full Schedule

Next week, from October 30 to November 5, is FHA Week, according to officials of the Hamlin chapter of the Future Homemakers of America at Hamlin High School.

A schedule of activities for the week has been arranged as follows:

- Monday, October 30—Good citizen day (do good day).
- Tuesday, October 31—No gripe day—be happy and polite.
- Wednesday, November 1—Look nice day—everyone look her best.
- Thursday, November 2—FHA assembly.
- Friday, November 3—Beautiful day—wear red and white.
- Saturday, November 4—Home activity day—help mom.
- Sunday, November 5—Church day—everyone will go to the church of her choice, and meet downtown for dinner.

### FUTURE COSTS.

This generation is probably the most wasteful and expensive that future generations will ever have to finance.

## ANSON WATER

(concluded from page one)

is 300,000 gallons a day under voluntary ration program, and would use 500,000 gallons if it were available, Dr. Pittard said.

Anson has an 18-month water supply in its two lakes and would be in position not to take water in the peak season if that would help it, it was pointed out.

West Texas Utilities Company, which holds long-time contract to buy water, has agreed to waive claim to the amount of water Anson needs at no cost to Stamford, it was brought out at the meeting.

Rated capacity of the 18-inch pipeline from Lake Stamford to the filter plant at the northeast city limits is now 2,880,000 gallons. In the peak last summer 2,550,000 gallons was pumped in 24-hour periods, including 900,000 gallons used by Hamlin during the peak period.

Capacity of the 18-inch pipeline can be increased, possibly doubled, by addition of another pump at the lake and a booster station.

Hamlin has been under contract to buy water from Stamford since before the lake was completed and has been getting water from Lake Stamford since pipeline to Hamlin was completed. In case of shortage, all towns served would share alike, it was brought out in answer to questions, though no shortage is anticipated.

Hamlin's pipeline ties on at the filter plant just outside the Stamford city limits so the water comes through the Stamford pipeline from the lake to the filter plant.

The committee said that Anson is expecting to approach Hamlin on tying on to the Hamlin pipeline at the closest place if this plan is adopted. The Anson North Lake is about six miles south of Tuxedo, where the Hamlin pipeline runs.

## Mrs. Emma Norton Dies Friday After Lengthy Illness

Mrs. Emma Easter Payne Norton passed away at the home of her son, Benson Payne, five miles east of Hamlin, where she had made her home, at 11:45 a. m. last Friday. Mrs. Norton had been in failing health for about two years, bedfast for six months and seriously ill for six days.

Deceased was born Emma Easter Hilton in Carroll County, Georgia, on May 22, 1877, to the late Mr. and Mrs. Francis Hilton. At the age of 17 she was married to J. Hal Payne in Georgia. To this union were born 10 children, six boys and four girls, all of whom survive except one son, Ernest, who died in infancy. Mr. Payne died in January 23, 1933. In May, 1936, Mrs. Payne married H. O. Norton of Medicine Mound. He died December 26, 1949.

Mrs. Norton was a member of the Dovie church.

Funeral services were held Sunday afternoon at the First Baptist Church in Hamlin. Officiating were Rev. O. M. Butler, Methodist pastor of Vernon; Rev. Sam King, Nazarene minister of Hamlin; and Rev. Houston Walker, pastor of the First Baptist Church in Hamlin.

Surviving Mrs. Norton are five

## Bunnie's Village Inn Opened on East Lake

Formal opening of the newly completed Bunnie's Village Inn, drive-inn cafe on East Lake Drive, was held Monday afternoon, when doughnuts, cakes and coffee were served to scores of visitors.

The eating place is completely new, sporting modern fixtures and new color treatments that complement new fixtures. Besides the coffee shop, a spacious private dining room is provided, and curb service also will be given.

sons, Tray Payne of Jal, New Mexico, Brown Payne of Bremen, Georgia, Gordon Payne of Stockton, California, Ira Payne of Perryton, and Benson Payne of Hamlin; four daughters, Mrs. Ethel Goodgame of Hamlin, Mrs. Jessie Dickson of Miles, Mrs. Eva Newcome of Stockton, California, and Mrs. Nellie Stauffer of Ojal; two step-sons, Morrow Norton of Vernon and Gladen Norton of Medicine Mound; and two step-daughters, Mrs. Lois Jenkins of Chillicothe and Mrs. Pearl Cole of Vernon; 28 grandchildren, 16 great-grandchildren and a number of step-grandchildren.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home. Pallbearers were J. D. Adams, Gerald Renfro, Claude Bessire, Charlie Lee Adams, Ollie Cohorn and Bill Adair.

## FHA Group to Name Local Chapter Beau

Members of the Hamlin chapter of the Future Homemakers of America elected their beau at a called meeting Tuesday afternoon at the high school.

The four boys nominated were Holly Toler, Dennis Johnson, Paige Baize and Dee Prewitt. The outcome of the final vote will be announced in the FHA assembly Thursday.

### McMurry Students Present Program At Lions Luncheon

Students from McMurry College in Abilene presented a variety program as a feature of the Tuesday noon luncheon of the Hamlin Lions Club at the oil mill guest house.

D. P. Ammons, guitarist, played and sang two numbers, "I'll Never Tell Another White Lie" and "Blue Skies." Audrey Carver played "Chui, Chui" and "Star Dust" on her xylophone. Kenneth Mills sang "A Little Bit of Heaven," accompanied at the piano by Clarice Douglas. Presiding for the program was Milton Chester, a ministerial student from Pennsylvania, who presented some information about McMurry College as well as interspersing his presiding with yarns.

G. T. Black, coach at Hamlin Junior High school, was initiated as a new member. Lion Tamer Jess Parrish performed the rites. Final report on proceeds of the recent broom sale conducted by the Lions was presented. Sales totaled \$1,264.92, from which a share of \$278.34 went to the local club's treasury.

W. T. Johnson, treasurer of the Hamlin Foundation, was presented a check for \$300 as the club's donation to the Hamlin swimming pool.

Besides the program principals, other guest at the luncheon Tuesday was Grady Smith.

Next week's meeting of the club, it was announced, will be held Monday at noon, when Dr. Willis A. Sutton, internationally known educator, will speak.

### Final Services for Mrs. H. O. Cassle Held Last Thursday

Final rites for Mrs. H. O. Cassle, 72-year-old pioneer Hamlin resident, who died last Tuesday in the Hamlin Memorial Hospital, were conducted last Thursday afternoon at 3:30 o'clock at the First Baptist Church.

Officiating at the services was Rev. Houston Walker, pastor of the church where she had been a member for almost half a century. Assisting was Rev. Miles B. Hays of Lueders, former pastor.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home. Nephews and grandsons of the deceased were pallbearers.

Born Oma Davis on October 17, 1883, at Bluffdale in Erath County, Mrs. Cassle moved with her husband to Hamlin in 1905 when the townsite was being organized. The family lived for many years just southeast of Hamlin on California Creek. Mr. Cassle, a former civic leader and business man, died last year.

Surviving Mrs. Cassle are two sons, W. Arlie Cassle of Hamlin and H. O. Cassle Jr. of Hutchinson, Kansas; two daughters, Mrs. Harriett W. Pitzer of Chickasha, Oklahoma, and Mrs. Duffield Smith of Dallas; and four grandchildren.

## Baptist Women of Hamlin Named to Places in County WMU Organization

Mrs. Houston Walker of Hamlin was installed as president of the County Baptist Association-Woman's Missionary Union at its annual meeting at Stith last Saturday.

Other Hamlin officers who were installed were Mrs. J. R. Howe, treasurer and corresponding secretary; Mrs. Woodrow McHugh, chairman of the newly created committee of prayer.

Mrs. Ray Dell Lefever of Bethel conducted the installation, using an airplane travel theme.

Mrs. Fred Leveretts of Noodle was new recording secretary; Mrs. C. Saladin of Anson, historian;

Mrs. Buster Brown of Lueders, Royal Service chairman; Mrs. Bill Crafton of Stamford, community mission chairman; Mrs. Claude Harrell of Bethel, mission study; Mrs. C. L. Thurman of Anson, young people's director; Mrs. J. N. Easterwood of Anson, chorister; Mrs. Johnnie Agnew of Fairview, pianist.

Mrs. Ed Wiggins of Hamlin gave the devotional on "What Would You Do with Jesus?" The theme of the meeting was "Doing the Word of the Lord Together."

Mrs. O. B. Woodrum of Abilene was morning speaker. She told of Baptist work in Cuba, which

## Vera Mae Tidwell to Marry Lubbock Man

Mr. and Mrs. A. C. Tidwell of Route 4, McCauley, are this week announcing the engagement and approaching marriage of their daughter, Vera Mae, to James Marvin Barnes, son of Mrs. H. T. Boyd of Lubbock.

The couple will be married December 23 at 6:30 p. m. at the First Baptist Church in Hamlin. Friends of the family are invited to attend the wedding, the Tidwells announce.

Miss Tidwell is a graduate of Hamlin High School. Both the young people are junior students at Hardin-Simmons University in Abilene. They plan to continue their school work after their marriage.

## Good Neighbor Club Makes Plans for Christmas Dinner

Plans were made for the annual Christmas dinner for members and their families, when the Good Neighbor Home Demonstration Club met Tuesday afternoon with nine members and one visitor present. Hostesses were Mrs. Mildred Weaver and Mrs. Alice Westmoreland.

After a prayer led by the president, Mrs. Mildred Weaver directed a game, and the roll was called and minutes read.

It was reported that the rummage sale held recently in Anson netted \$32. This amount, with \$43.80 made from the Mack Fletcher show which the club sponsored in February, will go to the club's pledge of \$100 on the Hamlin swimming pool. The unit voted to pay off the pledge.

Council report was given by Mrs. Charlene Joiner in the absence of the council delegate.

Date of the annual Christmas dinner was set for December 2 at 7:00 p. m.

The county agent, Jimmie Lou Wainwright, gave an interesting program on "Lighting the Kitchen." She discussed the various types of lights and their position in the kitchen, then showed slides of model kitchens. This program terminates the series of studies the group has made on kitchens for the past three years.

Members of the club are urged to be present at the November 8 meeting as several matters of vital importance are to be taken care of.

## Beta Theta Chapter Makes Donation to Dystrophy Research

Members of the Beta Theta chapter of Beta Sigma Phi voted to contribute to the muscular dystrophy research fund when they met for their regular meeting Tuesday afternoon at 4:00 o'clock in the ranch home of Mrs. W. F. Martin.

Refreshments of cheese cake, finger rolls and fudge and coffee were served from a buffet table centered with a green crystal epergne containing autumn fruit.

The business session was conducted by Mrs. Gerald Young. The muscular dystrophy research fund is a state project of the sorority.

Mrs. Garland Preston gave a report of the treasury.

Mrs. H. L. Mehaffey brought the program for the day on "The Art of Dress" and illustrated her talk with pictures of fashions.

The ritual of jewels for the seven pledge of the sorority will be conducted at the next meeting, November 8 in the home of Mrs. Garland Preston.

Members and pledges attending were Mrs. L. C. Bonds, Garland Preston, Brad Rowland Jr., Truman Nix, Jess Parrish, Billy Joe Wilson, Gerald Young, Austin Poe, Arlie Cassle, Ed Boaz, H. L. Mehaffey, Jim Herridge, Wilson Brannon and the hostess.

## "Conscience" Supper Enjoyed by Members Of Friendship Club

A "conscience" supper was enjoyed by members of the Friendship Home Demonstration Club and guests Tuesday evening at the oil mill guest house.

Present to enjoy the supper and festivities were Mr. and Mrs. Grady Smith, Jerry and Joyce Ann, Mr. and Mrs. Jap Kemp, Mr. and Mrs. Ester Hastings, Velta and Helen Kay, Mr. and Mrs. Fred Young, Mr. and Mrs. Harvey Elkins, Mary Ann and Patricia, Mr. and Mrs. Gean Witt and Linda, Mr. and Mrs. June Jones, Mr. and Mrs. I. R. Witt, Mr. and Mrs. Harold Buchanan and Butch, Mr. and Mrs. Sol Branscum, Mrs. D. W. Carlton, Mrs. J. E. Hix, Mrs. John Hix and Charles, and John Hudson.

## Prof. Harold Williams Speaks on Safe Driving Program for Fifty-Two Club

Chocolate ice box cake and coffee were served at the home of Mrs. Gene Grice, with Mrs. Dale Lain as co-hostess, when members of the Fifty-Two Study Club met for a safe driving program.

Harold Williams, guest for the day, told the club members that "The aims of driver education in the school are: Character builders, the appropriate age, greatest number of pre-licensed drivers, cultivating courtesy and respect for state laws."

He said, "The majority of accidents occur at intersections, the probable cause being the improper viewing range of the drivers." He went on to say that all traffic accidents are preventable, and that there is always a cause.

Williams declared that most accidents, when reported in the papers, read, "Mr. X dies in car crash," but they should be stated as "Mr. Y hit Mr. X." One rule the speaker gave for drivers was to allow 20 feet distance between traveling cars.

Mrs. S. C. Ferguson Jr. told about the Safe-Teen program, which was organized in the state of Oregon by Judge Cook.

Members agreed to bring materials for the German Youth Association.

Mrs. James Josey was elected to membership in the place of Mrs. Gean Witt, who resigned.

It was announced that the Safe Driving Day program will be conducted at the high school Friday from 1:00 to 4:00 o'clock p. m.

Those present for the session were Mrs. W. S. Seals, W. C. Westbrook, Gene Westmoreland, Joe League, Ned Moore, E. J. Hawkins, Harry Martin, Byron O. Bell, F. B. Moore Jr., Noel Weaver, Wilson Brannon, Dean Witt, Cecil Sellers, Irby Weaver, Dale Lain, W. F. Martin, S. C. Ferguson Jr., L. C. Bond and Gene Grice.

## Federation Counselor Presents Report at Literary Club Session

The federation counselor's report was given when members of the Woman's Literary Club met Friday afternoon in the home of Mrs. John D. Ferguson. Mrs. M. T. York made the report.

The president, Mrs. Clyde Grice, called the meeting to order and asked for the club collect to be read, led by Mrs. Weldon Johnson. Minutes of the previous meeting were read by Mrs. W. T. Johnson, secretary, and 22 members answered roll call.

Mrs. Stanley Carmichael, director, introduced the program Mrs. R. D. Moore gave an introduction of the course of study for the ensuing year, "The Next America." "The Challenge to Democracy" was presented by Mrs. James Fitzgerald.

Mrs. L. H. McBride closed the meeting with prayer.

## Methodist Women Study Mission Work

A program on foreign missionary work was studied when members of the Anderson Circle of the Woman's Society of Christian Service of the First Methodist Church met Monday in the home of Mrs. B. H. Gardner. The session was held at the newly selected time of 3:00 p. m.

The meeting was opened with a prayer by Mrs. W. H. Parker. A treasurer's report was made by Mrs. Copeland. A motion was made to send gifts to members who have been absent because of illness.

The program was led by Mrs. Jayroe. Those assisting her were Mrs. Tom Teague, Mrs. Roy Harrison and Mrs. Varner. The program was closed by a prayer led by Mrs. Jayroe.

Coffee and cake were served by the hostess to 12 members.

The best shelter in an H-bomb attack is a good record.

If it's a hardtop, Pontiac has it for '56... with Two-door and Four-door Catalinas in all three series!

And if you like your glamour in great big packages, prepare to lose your heart to Pontiac's all-new Four-door Catalinas—hardtop styling at its low, wide and handsome best... in three models, three price ranges and two wheelbases.

Pick your own particular spot in the rainbow and it's yours in one of Pontiac's 56 solid or Vogue Two-Tone color combinations. Name your own ticket on your favorite type of interior luxury—and get it in one of Pontiac's 32 choices.

But for all its distinctive glamour, the keyword for the fabulous '56 Pontiac is

GO! Its heart-lifting style foretells breathtaking action like you've never known before—exclusively yours from history's highest-powered Strato-Streak V-8 and the incomparable smoothness of Strato-Flight Hydra-Matic.

A torrent of smooth, eager, split-second power impatiently awaits only the nudge of your toe to blaze alive with the greatest "go" on wheels!

And the security of big brakes and easy, instant handling gives the clue to the greatest safety ever built into a car.

Why not make a date to send your spirits soaring? Come in and see and drive the fabulous '56 Pontiac with America's greatest performance team.

\*An extra-cool option

Chevy Chase by SYRACUSE China

This time it is "Chevy Chase" Syracuse China that has been chosen by Hamlin's most recent bride-elect.

A platinum line decoration on pure white China, "Chevy Chase" is the last word in elegance and beauty. Do come in and see it!

About this time every year we offer last year's Christmas Cards at HALF PRICE. So, here they are; not many, but a fairly good selection of lovely cards—at HALF PRICE while they last (Remember, we mean gram, too).

Are you remembering to register for the 26-piece place-setting of pink Carousel Dinnerware, to be given away November 24? (That's the day before Thanksgiving!)

You'll find a good selection of Bible, Devotional, Books and inspirational literature here at THE BOOK SHOP. Remember, if we don't have the title you want, we will get it for you if it is in print.

We have John Gunther's new book, "Inside Africa," most exciting of the "inside" books. Reveals Africa in all its wonder, mystery and majesty.

Just received a shipment of Dinner Candles in all colors and lengths—also tiny Tapers for the lovely tiny Libra. These are priceless candles by Victor, Ltd.

Call us if we can serve you!

## flame-fast GAS range

don't be fooled... you can bake and broil at the same time

The broiler of a non-flame type range is also the oven. Naturally you can broil and you can bake, but you can't do both at the same time. Of course, you could buy the 2-oven model and pay much more. However, with even the most inexpensive modern automatic gas range, you can enjoy perfect baking and smokeless closed-door broiling at the same time.

For what it costs to cook with non-flame, artificial methods for ONE YEAR... you can cook for more than FOUR YEARS with natural GAS!

## Calli Creek Philosopher Wants to Get Money on Same Terms England Gets It

Editor's Note:—The Calli Creek Philosopher on his Johnson grant farm on California Creek has issued a little comment, and we've added him for a picture, which we wish we had not done. But since he sent it along we're publishing it with his second letter, which this week incidentally reveals a considerable ignorance of international finance.

Dear Editor: I read in a copy of the Star-Telegram which I got in town Saturday because it was wrapped around the shoes I had purchased, where England some time ago negotiated a loan from the United States and the terms was so interesting to me I have been wondering why we can't have some banking like that down here in Jones County.

As I understand it, the United States loaned Great Britain four billion dollars and won't no interest start until 1956 and when I do start it will be 2 per cent. with the provision that England

can ignore the interest if her exports fall below sixty per cent of what they were immediately before the last war started.

Now, there's a system of banking which I admire and I would like to know why Banker Tate May and Banker Ted Russell don't get their banking principles up on the international level and really do some business.

If the bank will loan me money without no interest until 1956 and then none if my farm don't produce sixty per cent of what it did before the war, and I figure I can arrange to keep production down to that figure without no effect at all to speak of, there ain't no tellin' how far I could go or how much business the bank could do with me.

I understand the United States is making this loan because it is worried about England goin' under, and the same thing would apply in my case. I could meet their terms satisfactorily. But it is my opinion England ain't in no serious danger as long as there is Englishmen left smart enough to negotiate their kinds of loans. If you know of any bank in this are dealing in international loans I will appreciate you letting me know as soon as possible and I hope to get there before the money's all gone.

Yours faithfully—J. A.

Rev. Egger Attends Coaching Conference For Methodist Church

Rev. Egger, pastor of the First Methodist Church, is attending a coaching conference on Christian education in Lubbock Tuesday, Wednesday and Thursday of this week. The General Board of Education of Nashville, and the Northwest Texas Board of Christian Education are sponsoring this Methodist project.

Three groups were receiving instruction at the meeting: Children's, youth and adults.

Rev. Egger was receiving instruction in the adult group entitled "Helping Adults Learn." He will then become an accredited teacher in this field and will teach in the leadership training schools in the conference.

Benjamin Franklin designed a dollar made of silver, brass and pewter, bearing the motto, "Mind Your Own Business," and minted in 1776.

# The Herald's Page of Sports

## Pipers Go to Anson Tonight For Second Conference Tilt

### Usual Hot Rivalry Between Schools To Feature Game

Going away from home again tonight (Friday) for the second District 4-AA conference football game, Hamlin's Pied Pipers will meet the Anson Tigers on the grid at the county seat tonight at 7:30 o'clock.

While the Pipers enter the fray with a better statistical record for the year than Anson, the tilt is expected to have the usual inter-city rivalry that has made it a highlight of every engagement between representatives of the two schools, Head Coach Truman Nix told a Herald reporter Wednesday.

Anson has lost six games in a row, bowing before Ballinger, Coleman, Albany, Haskell, Winters and Merkel. Three of those teams, Ballinger, Haskell and Winters, also defeated the Pipers in pre-conference play.

Hamlin has lost five and won two tilts this season. Coach Nix said Wednesday that two of his regular starters, Halfback Holly Toler and Quarterback Kenneth Parker, have been slowed this week by colds, but they are expected to mix things with the Tigers. No major injuries so far will hamper the line-up, Nix said.

Hamlin's Pied Piper Band and the girls' Pep Squad will follow the team to the county seat and perform at the game. Tickets for tonight's game are

### DISTRICT 4-AA STANDINGS

Full season standings kept the same ratings after last week-end tilts found four of the five teams in District 4-AA competition. The standings look like this:

Team	P.	W.	L.	Pct.
Stamford	7	7	0	1.000
Colorado City	5	3	2	.600
Rotan	6	2	4	.333
Hamlin	7	2	5	.286
Anson	6	5	0	.000

Team	P.	W.	L.	Pct.
Stamford	1	1	0	1.000
Colorado City	1	1	0	1.000
Rotan	1	0	1	.000
Hamlin	1	0	1	.000
Anson	0	0	0	.000

**Results Last Week.**  
Stamford 26, Rotan 6.  
Colorado City 28, Hamlin 0.  
Haskell 21, Anson 0.

**Where They Play Tonight.**  
Colorado City at Stamford.  
Hamlin at Anson.  
Rotan, open date.

**WORSE FROM INSIDE.**  
Moe—"You must have had a terrific night last night, your eyes are sure bloodshot."  
Joe—"You oughta see them from this side."

on sale at all three drug stores in Hamlin, according to Principal B. V. Newberry. The entire east stands at Anson have been allotted Hamlin fans.

### East Side of Anson Stadium Given Hamlin

Entire east side of the Anson football stadium of 800 seats has been allotted to fans from Hamlin, it was announced Tuesday by B. V. Newberry, Hamlin High School principal.

Tickets are available at all three Hamlin drug stores. Adult tickets are \$1 and student tickets are 50 cents. No reserved seats are available for Hamlin for the Anson game, Newberry says.

### Junior High Gridders Play Anson Tuesday

Next Tuesday evening the Hamlin Junior High School gridders move to Anson to contest the Tiger Cubs in a conference tilt. Game time will be 7:00 o'clock. The Mighty Mice have a formidable grid machine that is clicking nicely under the tutelage of G. T. Black.

Any time you find that truth stands in your way you may be very sure that you are headed in the wrong direction.

A fine fuel—is what you'll say about Butane Gas—it's economical too.

**Kincaid Gas & Appliance**  
PHONE 489 HAMLIN

## Mighty Mice Drop Tuesday Game to Merkel Crew 20-12

Hamlin Junior High School's Mighty Mice dropped a well-contested football game to the Merkel Little Badgers Tuesday night on the Hamlin grid by a 20 to 12 score.

Hamlin used recovered fumbles to control the ball for most of the first quarter. Late in the first quarter the Merkel fullback put d70 yards on a reverse to put his team in the lead. Half-time found Merkel leading 7 to 0.

Hamlin came close to tying up the ball game in the third quarter when Billy Hallmark scored on a quarterback sneak from two yards out, but try for extra point failed.

Merkel completed a long pass down the middle to place the ball in scoring position and drove for six more points.

In the fourth quarter Merkel ran their lead to two touchdowns after a 50-yard drive.

The Mice came back to cut the Merkel lead to one touchdown when Ken Prewit crashed over from two yards out.

### Receipts at Last Two Grid Games Gratifying

Receipts at the last two football games played by the Pied Pipers of Hamlin High School have been above average, reports C. F. Cook, superintendent of schools.

Gross receipts at the Spur game played at Hamlin were \$1,246.50. After officials were paid, each school received \$570.05.

At the Colorado City game played there the gross receipts were \$1,294.50. After officials were reimbursed, the school's each received \$591.25.

## Teams in District 4-AA Grid Play Take Expected Positions After First Games

With two games of the District 4-AA football race reeled off last week-end by four of the five member teams, the conference race took form that probably will be maintained the balance of the season. Anson played the lone pre-conference tilt, losing to the strong Haskell Indian tribe by a 21 to 0 count in a melee played on the Haskell grid.

The Haskell victory further pushed the District 4-AA reputation for the season down.

Stamford's victory over Rotan's Yellowhammers was the thing expected in those two teams' district opener last Friday night at Rotan when the score was 26 to 6. Halfback Don Campbell scored for Stamford in the first period, plunging over from the four-yard stop, and Melvin Stevenson kicked the extra point. Mike McClellan raced 10 yards for the second marker. Campbell and McClellan each scored again in the third quarter. Rotan's lone touchdown came in the fourth period on a 12-yard pass from Fullback Wesley Minton to Halfback Jerry Black. Stamford rolled up 17 first downs and 309 yards on the ground to nine first downs and 70 yards running for Rotan. Rotan completed 11 of 30 pass tries for 98 yards gain.

Colorado City fielded an improved Wolf pack Friday night on the Mitchell County capital gridiron when they trimmed the sails of the Hamlin Pied Pipers by a 28 to 0 count. Scoring for Colorado City were Don Fite who accounted for three touchdowns and Left End Jim Johnson. Frank Mackey booted four straight extra points for the Wolves. Colorado City racked up 18 first downs and 333 yards running to seven first

downs and 83 yards on the ground for Hamlin. The Wolves connected with three of four pass tries for gains of 66 yards, while the Pipers completed five of 14 aerials for 55 yards gained.

Haskell Indians' 21 to 0 defeat of the Anson Tigers Friday night further strengthened Haskell's reputation as one of the strong Class A teams of West Texas.

All three of the Haskell touchdowns came in the last half after the Tigers played the scalpers to a standstill in the first two periods. John Holt, Haskell center, intercepted Jimmy Roberts' pass on his own 40-yard stripe and cutran the field to score the first tally. Mullins scored the second six-pointer from the five after Bob Starr set the stage with a 42-yard pass to Byrd. Bob McCoy accounted for the third touchdown on a seven-yard pass. Jim Byrd kicked all three extra points after touchdown.

## More Courts Needed For Tennis Activities

With an outstanding victory against the AAAA Abilene high school team last week-end, Coach Doyle B. Smith's Hamlin High School tennis crew continues to show improvement, declares the coach, as he is arranging other matches against area teams.

Tennis sport fans at Hamlin have expressed the hope that better facilities will be built for this long neglected interest that exists in the sport of tennis.

Coach Smith states that he hopes to be able to invite outside teams to Hamlin for return matches if enough courts are ever available here.

### TROUBLESOME.

Some people have just conscience enough to make them miserable—it is too strong to let them walk the wrong way in peace.

## B String of Juniors to Play Roby Thursday

B string of the Hamlin Junior High School Mighty Mice football crew was due to meet the Roby juniors last night (Thursday) in a return match.

The Roby boys won the first tilt between the two teams by a 14 to 0 score. No admission is being charged to the B string games.

**ANOTHER IN THE SERIES** of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

## Cotton from Hamlin Region Rates High in Quality Tests

### Strength Factors To Affect Price of Staple in Future

Quality of Hamlin area cotton is of average rating, according to tests recently made at Austin.

Tensile strength and fineness of fiber of the 1955 cotton crop in 11 West Central Texas counties are rated close to "average" for both qualities. This information was revealed in a release Thursday from the Cotton Economic Research of the University of Texas. The test data covers both the 1954 and 1955 crops and from cotton that was ginned after October 10 of both years.

These two factors could influence the price the producer receives. The comparatively new micro-metre method of determining the fineness of fiber was used by the research department in tests for both years.

Micro-metre units are now looming large in the price which a grower may expect to receive for cotton. Spinners are placing as much or more stress now on fiber length (uniformity), fiber strength (in thousands of pounds to the square inch), fiber fineness (micrograms per inch of fiber), and fiber maturity (percentage of maturity), as on grade.

Fiber fineness of 4.0 to 4.9 micro-metre units is considered average. Fiber of 3.9 micro-metre units or below or 5.0 or above could mean a loss to producers.

The Cotton Economic Research tests show all 1955 cotton in the

### 4-H Club Council Sets Dates for Christmas Party and Exhibition

Plans were made for the annual achievement event and Christmas party when members of the Jones County 4-H Club Council met Saturday in Anson. Officers for the ensuing year also were elected by the group.

The following officers were elected: Glen Irvin of Noodle, chairman; Nelda Herron of Noodle, co-chairman; Ronnie Seabee of Anson, secretary-treasurer; and Jerry Smith of Hamlin, reporter.

November 14 was set as the date for the achievement event, and December 16 was set as a tentative date for the 4-H Club Christmas party.

The 4-H Club Council is made up of the president and one elected delegate from each boys' and girls' club in the county. It is operated under supervision of Bill Lehman, county agent, and Jimmie Lou Wainwright, county home demonstration agent.

### First Garden Show Slated Saturday At School Cafeteria

Elaborate plans for the Hamlin Garden Club's first Flower Show were shaping this week as the event scheduled Saturday afternoon and evening shaped, officials of the group announced the middle of the week.

The Hamlin High School cafeteria will be the site for the show which will be open from 2:30 until 8:00 p. m. to the general public. Flower arrangements will be featured in 11 different classes. Also single specimens of flowers and vegetables will be displayed for the perfection of each.

There will be a space reserved for those not members of the club to bring flower arrangements and specimen blooms of flowers, shrubs and vegetables for display. All are welcome, club leaders declare but only the displays of the Garden Club will be judged.

A division for juniors is being arranged, and all boys and girls from the ages of six through 12 are invited to enter fruit, flower or vegetable exhibits. Mrs. C. R. Lovell is in charge of this group.

Guests to the show will enter an autumn gate and follow a garden path through rows of flowers grown in the Hamlin area.

Schedule of services for the day has been released by church leaders as follows:

10:00 a. m.—Sunday School.  
11:00 a. m.—Morning worship with the pastor, Rev. W. C. Rhea.

12:00 noon—Lunch for everybody at the church.  
1:20 p. m.—Singing, followed by devotion by Bro. Pearce at 1:45. Special song will be given by an Abilene trio.

2:30 p. m.—Message by Rev. V. E. Nunn of Abilene.

**RARE PET**—Bernie, the 2½-year-old pet buzzard of Mrs. L. E. Humphries of Balmorhea, perches on her shoulder and begs for tidbits. Unlike his wild kin, Bernie is without evil temper, plays with the family dog and likes to have his back scratched.

# New Fire Trucks to Earn Insurance Credits for City

## No Coordinator for City Engaged by Special Council

Special called meeting of the Hamlin City Council Tuesday evening, called for a conference with a prospective city coordinator, failed to produce a new man. The city place has been vacant since the September 15 resignation of Roy Durland, who has moved to Snyder to become city manager. Other applications for the place will be considered according to Mayor Willard Jones.

Inventory of city property not already leased for oil is being completed, it was announced, with the purpose of leasing the balance of the property. The city holds more than 1,000 acres of land. Many rent contracts are being perfected on the property for grazing and cultivation as a continuing revamping of rental contracts, it was revealed.

\$10-per-month raise in salary of Nightwatchman Jesse Miller was approved by the councilmen. Impromptu discussions on acquisition of a new city hall, as well as the repair of property already owned by the city to house the city's offices, were conducted by the group. The present offices are rented on a month-to-month basis.

Delivery of a recently acquired war surplus fire truck from Tulsa, Oklahoma, was announced, as well as notification of delivery soon of the new fire truck from the Central Fire Truck Company of St. Louis, Missouri. The new equipment will provide new credits on insurance rates, it was pointed out by councilmen.

## Calvary Baptists Schedule Birthday Gathering Sunday

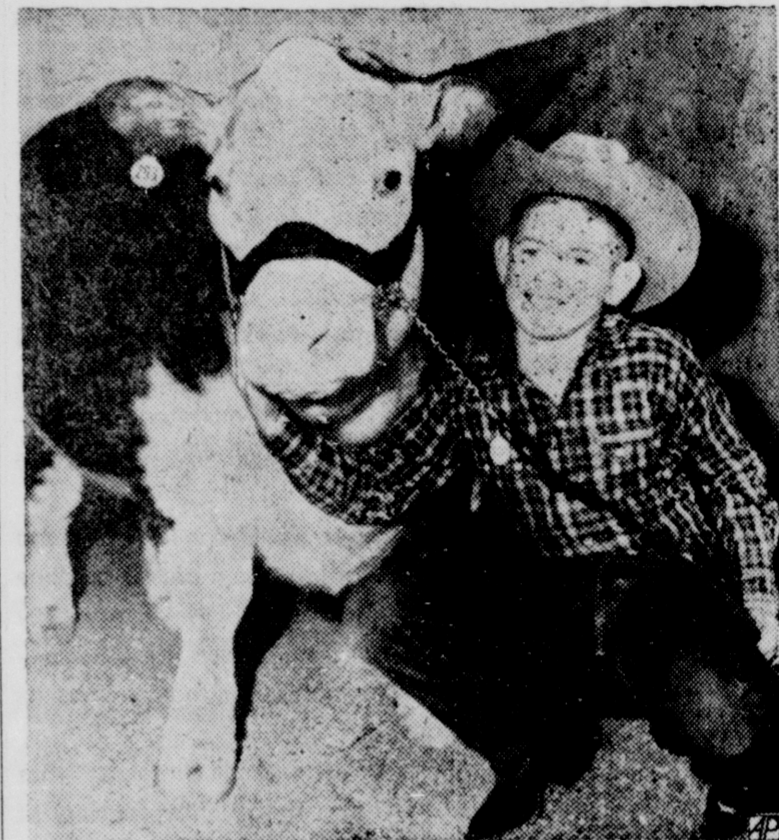

Members of the Calvary Missionary Baptist Church, on South Central Avenue, will host a homecoming Sunday in observance of the sixteenth birthday of the congregation according to Rev. W. C. Rhea, pastor.

Members of the church will be hosts to scores of former members and visitors who are expected to attend the all-day celebration.

Schedule of services for the day has been released by church leaders as follows:

10:00 a. m.—Sunday School.  
11:00 a. m.—Morning worship with the pastor, Rev. W. C. Rhea.  
12:00 noon—Lunch for everybody at the church.  
1:20 p. m.—Singing, followed by devotion by Bro. Pearce at 1:45. Special song will be given by an Abilene trio.

2:30 p. m.—Message by Rev. V. E. Nunn of Abilene.

**JUNIOR CHAMPION STEER**—Lile Lewter, 10-year-old Lubbock lad, is shown with his 1,150-pound steer, "Punkin," which was named junior champion steer at the American Royal Livestock and Horse Show in Kansas City.

## Dr. Willis A. Sutton Sets Busy Monday

Busy day is in store for Dr. Willis A. Sutton of Atlanta, Georgia, internationally known school administrator and counselor, next Monday, when he comes to Hamlin for the third time to speak on school problems.

Dr. Sutton will speak to various groups of students and teachers at the school, according to B. V. Newberry, high school principal, who is arranging schedules for the day in the high school, beginning at 9:00 a. m.

Hamlin Lions Club members and guests will be addressed at the noon hour by Dr. Sutton. The school administration expressed appreciation of the Lions' arranging their meeting on Monday in order to have the man as the speaker.

An evening program in the high school auditorium at 7:30 o'clock will be addressed by Dr. Sutton. The parents, teachers and other people of the community are urged to attend this program, as Dr. Sutton has requested a chance to meet and talk to the parents and teachers of the school, according to Foster Cook, superintendent of schools. He urges the students of Hamlin to insist that their parents and friends attend the evening meeting.

Cook declares that Dr. Sutton is the outstanding counselor of students, teachers and parents of the age. "He will appreciate very much this fine community's giving the educator a good hearing," Cook stated. "People of the area who do not hear Dr. Sutton will be the losers," he averred.

## RETURN FROM VISIT.

Mr. and Mrs. W. B. Cotten and sister, Mrs. T. T. Brady, returned last week-end from visiting a son and his family at Lake Charles, Louisiana, and with other relatives at Houston, Austin and Livingston.

## Seeking Another Water Source, Anson Offered Service from Stamford Lake

While Stamford and Hamlin city officials feel that they have solved the water problems that had long plagued to two major towns of Jones County, Anson has entered into the picture with conversations last week-end with Stamford city leaders.

Stamford offered to sell water to Anson at five cents per 1,000 gallons at Lake Stamford and negotiate other details in connection with the project.

This action was taken by the Stamford City Council Friday afternoon after a committee from Anson had met with the council and asked what Stamford might be able to do to help Anson meet its water problem.

Mayor G. C. Carothers of Stamford called Dr. Knox Pittard, spokesman for the committee after the action was taken. Going to Stamford were Dr. Pittard, Harry Carmichael and Earl McCaleb, who had been named by the Anson City Council to see what could be done.

The offer of five-cent water at the lake was as far as the Stamford council could go in quoting price, and a number of other details would have to be worked out before action could be taken, the council decided.

Dr. Humphrey to Talk At P-TA Gathering

Dr. Joe C. Humphrey, academic dean of McMurry College at Abilene, will be the speaker at the next regular meeting of the Elementary Parent-Teacher Association, when it convenes Thursday, November 3, at 3:45 p. m. in the Primary School building.

All parents of the community are urged by P-TA officials to attend the session and hear Dr. Humphrey. Topic of the meeting will be "The Family Sustains the Schools."

Dr. Humphrey is the outstanding counselor of students, teachers and parents of the age. "He will appreciate very much this fine community's giving the educator a good hearing," Cook stated. "People of the area who do not hear Dr. Sutton will be the losers," he averred.

Dr. Humphrey is the outstanding counselor of students, teachers and parents of the age. "He will appreciate very much this fine community's giving the educator a good hearing," Cook stated. "People of the area who do not hear Dr. Sutton will be the losers," he averred.

## One Fire-Fighter Arrives, Second Due Here Soon

Hamlin will be in line for new fire insurance credits within a few days, according to city officials, who announce the addition of two new pieces of equipment to the fire fighting facilities of the Hamlin Volunteer Fire Department.

Arrival last Thursday of a war surplus fire truck from Tulsa, Oklahoma, provided three trucks for the department. The piece of equipment, originally purchased for the Army Air Force, cost \$14,000, about eight years ago. It was purchased by the city for \$2,500, following a demonstration at Tulsa 10 days ago before Fire Chief Lee Hastings and City Fire Marshal T. W. (Mickey) McGuire. The truck, a Seagraves special eight-cylinder pump, is equipped with four CO-2 cylinders which are especially effective in fighting oil and gas fires. It will carry 1,200 feet of three-inch hose, as well as other chemical and water-tank hose and accessories.

Word was received Monday by Mayor Willard Jones that the new fire truck being manufactured by Central Fire Truck company of St. Louis, Missouri, will be ready for delivery within a few days. It was contracted for two months ago by the City Council at a cost of about \$13,000. It is being built on a Dodge chassis. More than 1,000 feet of new three-inch hose and 700 feet of 1½-inch hose has been ordered for the new truck.

Appointment with a Texas Fire Insurance Commission inspector of the new equipment has been sought when the new truck arrives, probably next week, city officials said.

With arrival of the new truck, the old 1927 model American LaFrance pump will be taken out of service by the city.

With three efficient fire fighting pieces of equipment, Hamlin is destined to get new fire insurance rate credits, it is announced by city leaders.

## VISIT FROM NEW YORK.

Mr. and Mrs. Oscar Owen Jr. and twin son and daughter, DeLores and Douglas, of Long Island, New York, visited in the home of their aunt and uncle, Mr. and Mrs. Ira Clements, on Tuesday of this week.

Six new citizens have been recorded at Hamlin Memorial Hospital since last report in The Herald. Three girls and three boys, they are:

A girl for Mr. and Mrs. C. E. Jennings of Hamlin arrived October 13 at 12:15 a. m. Weighing seven pounds 11 ounces, the little miss has been named Sheran Denice.

A boy for Mr. and Mrs. H. B. Carter was born October 13 at 8:07 p. m. Tipping the scales at seven pounds 11 ounces, the young man reported that Henry Steven would be alright for a name.

A girl was born to Lola Bea Sparks of McCauley October 16 at 11:58 a. m. After having her weight checked at five pounds five ounces, she accepted the name Debbie Nell.

A boy for Mr. and Mrs. Stanley Olyer of Hamlin discovered America October 16 at 2:50 a. m. He has been named Gary Duane. He balanced the beam at six pounds two ounces.

A girl arrived for Mr. and Mrs. Fred Rossberry of Abilene on October 18 at 9:17 a. m. Weighing six pounds 11 ounces, she has been named Carol Jean.

A boy for Mr. and Mrs. Lloyd Bowen of Sylvestor arrived October 19 at 10:49 a. m. Weighing a hefty eight pounds five ounces, he has been named Johnny Glen.

## Youths of City's Churches to Conduct New Kind of Trick or Treat Campaign

The youth of Hamlin churches will be out on a different kind of "trick or treat" Sunday evening. They will be collecting "treats" for others in the form of cash. The money collected will be turned over to Christian Rural Overseas Program (CROP) for powdered milk, according to officials of the Hamlin Ministerial Alliance, under whose sponsorship the drive is being made.

## Katy Adjudged Not Liable in Damage Suit

Judge Owen Thomas of 104th District Court at Roby said Saturday that he would render judgment for the Missouri, Kansas & Texas Railroad after that firm was cleared of charges of negligence brought by Jake J. Henry of Knox City.

Henry had filed a \$200,000 damage suit against the railroad after he was seriously injured in a train-car collision at a grade crossing on Highway 70 between Roby and Rotan on April 22, 1953.

The money will be sent to the CROP headquarters in Austin by each youth group. Each dollar that is collected will buy 320 worth of government surplus powdered milk. Thus the needy and starving people of the world will be aided, as well as helping to ease the surplus problem in our own country.

Hamlin will be zoned off for the various church groups. The collections will be made after the worship services Sunday night. The program is being worked through the different churches and pastors of the city.

"We believe this is a remarkable spirit manifested by the youth of our town," said a representative of the Alliance. "They are thinking of others and what they can do to meet their needs. We feel sure that the citizens of Hamlin will respond generously to their call."

Each youth collector will wear a badge saying that he is an official collector for CROP. The badges will be given out Sunday evening.

Advertising's position in industry today is comparable with other business essentials like purchasing, planning, operations and selling.

There are, however, a few die-hards left over from the old school who look upon advertising as the glamor end of the business world. So, when things need tightening and operations require streamlining, the word passed down from on top is "Let's cancel the advertising."

Of course, this is rarely done. If the advertising program does go into a tailspin, it is usually a temporary one. Clearer thinking and calmer reasoning asserts itself, and often, the advertising program is strengthened rather than strangled.

For advertising is as much today a part of the business picture as the legal department, the accounting department, the sales force.

But—now this is in the realm of speculation—suppose the edict "Let's cancel the advertising!" spread with the uncontrolled fury of a prairie fire. Suppose it was taken seriously in more than just a handful of firms. Suppose canceling the advertising became the business order of the day. What happens then?

Advertising is the life-blood that sustains newspapers, magazines, radio, television, and—to a large measure—the post office, too. Direct mail gives the government a handsome income for postage.

With no advertising, magazines and newspapers could not exist. Circulation subscriptions alone could not keep the presses humming. Neither could free air time keep the air waves vibrating with news and entertainment.

You'd have no news. You'd get no word of what's happening in the world. Your day would begin and end with monotonous regularity; you'd feel as though you were living in a vacuum.

Soon, a newspaper would appear here and there. Its price wouldn't be a nickel or dime—it would be fantastically high. Every copy would be handed from person to person—would be black marketed for many times its original high price.

But aside from the public interest that advertising develops, the prime function of advertising would be missed. Advertising sells goods and services. Without advertising, goods and services would not be made—or sold.

## 

The questions "When do we eat?" and "Where shall we eat?" are asked thousands of times a day by workers, shoppers and those eating out for pleasure. The answer may be in out for pleasure. The answer may be based on many factors, but cleanliness should be high on the list, according to Dr. Henry A. Holle, Texas commissioner of health.

While there may be exceptions, an eating place that presents a neat and clean appearance to the patron is usually similarly maintained throughout. On the other hand, you can be sure that where the exterior, dining area or counter are slovenly the kitchen is no better.

Appearances are usually a reflection of the operator's personal attitude. Carelessness in personal neatness and hygiene, and in the cleanliness of the establishment is invariably accompanied by careless and insanitary handling of the food served.

Everyone should know the important sanitary hazards to look for and avoid. We might well ask ourselves the following questions: Do the serving personnel have clean hands, clean washable clothing? Are they free of bandaged fingers, coughs and colds? Is all perishable food kept really hot or well refrigerated? Are flies absent? Is food kept covered? Are the dishes and glasses clean to sight and touch? If all of these questions can be answered "yes," the chance of food poisoning or intestinal upset is remote.

## 

All of us are anxious to help boys. Sometimes we are tempted to forget that what a boy becomes is the product of what he does, not of what other people undertake to do in his behalf.

Doing things for a boy may not help him. It may merely make him more dependent and helpless. The most lasting help we can give him is to teach him to do for himself. As A. Lawrence Lowell has put it, "You may aid the boy, you may guide him, and above all, you may inspire; but the only thing that is worth having is what he gets by his own exertions, and what he gets is proportionate to the effort he puts into it."

Scouting is a sound method of helping boys to acquire study self-reliance and the ability to take care of themselves and others.

The Boy Scout movement needs a broader scope of work in the Hamlin community. It needs grown men interested in the things Scouting is doing for boyhood today that will be our manhood tomorrow.

## 

There is no surer test of a man's nature than the spirit in which he receives criticism. One whose interest in his work is personal, and lies in a pride in his way of doing it rather than in the excellence of the thing done, resents criticism as an attack on himself. On the other hand, one whose chief interest is in the work and not in himself, welcomes criticism because it may help him to secure a higher degree of efficiency.

Great workmen have found their delight in their work, not in the recognition it received, nor in the material rewards, although these are never acceptable.—Adapted from Good Business.

## 

WHO DO MEN LIKE DOGS?

When psychologists start to dig into ordinary, "normal" human motivations, they often seem to feel that they have to use a long-handled shovel. Among the latest groups of citizens subjected to a psychological excavating job are America's twenty million or so dog owners. There used to be a naive notion that a lot of people like dogs because of the pups' affection, loyalty and companionship, just as dogs feel that some of their best friends are people. According to recent psychological surveys, however, the odds are six to one that the relationship is more complicated.

Joseph Kaselow, writing in The New York Herald-Tribune, reports that the N. W. Ayer advertising agency, in the interests of manufacturers of dog food-and-care products, queried a number of prominent psychologists "to find out why people have dogs." Ayer found, according to Mr. Kaselow, that there are "six main reasons for dog ownership." The first five "types of dog owners" dug up by the psychologists are motivated by such things as desire to "show power of masterfulness," inferiority complexes; wish for parent-child relationship; psychological relaxation, based on lack of intellectual competition; ambition to have the dog improve his (the owner's) social position.

The sixth type of dog owner, Ayer reports, is the only one that caused the psychologists professional frustration. These are people who just like dogs. These surveys do not settle the whole matter, of course, but they do suggest an even more interesting field of analysis: the real reasons behind a psychologist's decision to become a psychologist.—The Saturday Evening Post.

Being news items taken from old files of Your Home Town Newspaper The Herald

### 

News items of interest in the Hamlin community 20 years ago included the following, reprinted from the issue of The Hamlin Herald dated October 25, 1935:

Dickie Elam was honored on his seventh birthday with a party in his parents' home Friday. Attending the affair were Bobby Harden, Sammy Joe Vaughan, Bert Fuller, Tommy Williams, Joe W. Niedeecken, Jerry Frank Waggoner, Jimmy Feagan, Linda Hall Beard, Ida Frances Roberts, Anna Margaret McBride, Sissie Williams, Jeannette Johnston, Barbara and Naomi Ruth Young, Patsy Ruth Wells, Verna Mae Colwell, and Dickie Elam.

Mr. and Mrs. R. M. Delk and son, Euell, and Mr. and Mrs. C. A. Miller of Waxahachie were guests Saturday and Sunday in the home of Mr. and Mrs. J. C. Culbertson.

Creed Smith has bought the Service Barber Shop, and will have with him J. Oliver Jones, a former old-timer here.

The new Ford V-8 for 1936 has been put on display in Hamlin. Price of the coupe is \$510 f. o. b. Detroit.

Jack Holt was featured at the Ferguson Theater in "Storm Over the Andes."

### 

From the issue of The Hamlin Herald dated October 26, 1945, the following news items of interest in the community 10 years ago are reproduced:

Mrs. Ina Tins and son, Sergeant Roy E. Tins, and daughter, Ebbie Tins, Mrs. M. J. Tins, Mr. and Mrs. J. E. Lawson and daughter, Mrs. J. Siles, and daughter, Fred Ellis of Abilene were here Sunday to visit Mr. and Mrs. T. W. McGuire.

Mrs. Fred Carpenter and son, Tommy, went to San Antonio, Texas, Friday to attend the funeral of Mrs. Carpenter's brother-in-law, I. D. Williamson, who died Thursday.

Nine years on the day of service for Uncle Tom's Cabin was marked up by the three sons of Mr. and Mrs. B. H. Gardner of Hamlin. The sons are Ted, Ed and Sergeant Harry Gardner Jr., who is in the Army; Staff Sergeant Edward W. Gardner, who is in the Service Forces; and Corporal Robert C. Gardner, who is in the Army Air Force.

Mr. and Mrs. John C. J. and his little son have gone to Hobbs, New Mexico, to make their home. He is assuming the management of the Acme Lumber Company.

## Veteran Rotarian Reviews Work of Clubs in Territory

A review of accomplishments of Rotary Clubs in this area was presented by Bernard Bryant of Stamford, when the Hamlin Rotary Club met Wednesday noon at the oil mill guest house in regular weekly session. He is the oldest Rotarian in the district in point of service, having been a member for more than 35 years.

Bryant declared that he had been instrumental in organizing Rotary Clubs at Spur, Post, Abilene, San Angelo and Hamlin.

The Stamford civic and church leader for many years pointed to the four lanes of Rotary: Club service committee, program committee, classification committee and vocational services.

Jerry Jay, Hamlin High School junior, was recognized as the Junior Rotarian for the month. Besides Bryant and young Jay, other guests at the Wednesday luncheon included Charles Caudle, George Hines Jr. and Bill Ledbetter of Abilene; James L. Waggoner, John Thornton and W. R. Terry of Stamford.

## AREA COTTON

(concluded from page one)

area is of average strength or better and all of it comes within to 4 to 4.9 micronaire unit range.

Tensile strength of samples tested by the Cotton Economic Bureau were "very strong" from Snyder, Anson, Stamford and Roby, with the latter showing the greatest strength, 90,000 pounds to the square inch.

Samples rated "strong," 81,000 to 86,000 pounds to the square inch, were from Munday, Rotan, Colorado City, Big Spring, Peacock, Weinert, Haskell, Hamlin, Rochester, Sweetwater, Bellinger, Trent, Miles, Hermleigh and Wingate.

It was rated "average," 75,000 to 80,000, from Walls, Winters and Abilene.

The lowest micronaire unit reading was 4.0 on samples ginned at Walls. Cotton from Colorado City, Roscoe, Abilene, Stamford, Weinert, Hamlin, Miles, Sweetwater, Hermleigh and Wingate rated 4.1 units. A reading of 4.3 units was reported on samples from Rotan and Big Spring.

Samples from Munday, Roby, Peacock and Trent were reported at 4.5 units. Anson and Rochester cottons were highest at 4.6 units.

All of the readings were within the "average" range.

In 1954, considerably drier in spots, samples produced some fibers of "superior" tensile strength. Tests of samples from Snyder, Rochester and Roby rated "superior."

Strength of samples from Munday, Winters, Colorado City, Roscoe, Abilene, Anson, Sweetwater, Stamford, Weinert, Hamlin, Ballinger and Hermleigh was rated "very strong." All 1954 tests showed tensile strength above average.

### VISITS IN HAMLIN.

Mr. and Mrs. Allen Barse of San Diego, California, and Mrs. Aubrey Hollis of Granbury were visitors Thursday of Mr. and Mrs. Roy Merdian in Hamlin. Mrs. Barse and Hollis are former schoolmates of Mrs. Mauldin at Sylvestor.

## Kick-Off Dinner Monday Initiates Methodist Crusade

A kick-off dinner was held Monday night at the First Methodist Church as the climax to the Sunday School attendance crusade of that congregation. Judge H. G. (Pete) Andrews of Jones County was the speaker. His theme was from the story of Jonathan and David, a friendly visit in behalf of the Sunday School.

More than 40 people will be visiting Sunday School prospects during the next three weeks, according to the pastor, Rev. Daris L. Egger. A goal of 230 average attendance has been set for October, November and December. In connection with the crusade a contest is on between Rotan and Hamlin First Methodist Church Sunday Schools for this three-month period. At the present time Rotan leads by three and one-fourth. The loser in the contest will be host to the other church in a worship service and fellowship supper.

Richard Young is the general chairman for the Sunday School attendance crusade. Working with him on the steering committee are W. T. Johnson, Sunday School superintendent; L. H. McBride, chairman of the commission on education; and the pastor.

The crusade is expected to increase the Sunday School attendance by a good margin, church leaders declare. The educational phase of the crusade attendance closes this week, and the visitation of prospects will complete the active campaign.

## Hamlin Girls Will Observe FHA Week With Full Schedule

Next week, from October 30 to November 5, is FHA Week, according to officials of the Hamlin chapter of the Future Homemakers of America at Hamlin High School.

A schedule of activities for the week has been arranged as follows:

Monday, October 30—Good citizen day (do good day).  
Tuesday, October 31—No gripe day—be happy and polite.  
Wednesday, November 1—Look nice day—everyone look her best.  
Thursday, November 2—FHA assembly.  
Friday, November 3—Beautiful day—wear red and white.  
Saturday, November 4—Home activity day—help mom.  
Sunday, November 5—Church day—everyone will go to the church of her choice, and meet downtown for dinner.

### FUTURE COSTS.

This generation is probably the most wasteful and expensive that future generations will ever have to finance.

## ANSON WATER

(concluded from page one)

is 300,000 gallons a day under voluntary ration program, and would use 500,000 gallons if it were available, Dr. Pittard said.

Anson has an 18-month water supply in its two lakes and would be in position not to take water in the peak season if that would help it, it was pointed out.

West Texas Utilities Company, which holds long-time contract to buy water, has agreed to waive claim to the amount of water Anson needs at no cost to Stamford, it was brought out at the meeting.

Rated capacity of the 18-inch pipeline from Lake Stamford to the filter plant at the northeast city limits is now 2,880,000 gallons. In the peak last summer 2,550,000 gallons was pumped in 24-hour periods, including 900,000 gallons used by Hamlin during the peak period.

Capacity of the 18-inch pipeline can be increased, possibly doubled, by addition of another pump at the lake and a booster station.

Hamlin has been under contract to buy water from Stamford since before the lake was completed and has been getting water from Lake Stamford since pipeline to Hamlin was completed. In case of shortage, all towns served would share alike, it was brought out in answer to questions, though no shortage is anticipated.

Hamlin's pipeline ties on at the filter plant just outside the Stamford city limits so the water comes through the Stamford pipeline from the lake to the filter plant.

The committee said that Anson is expecting to approach Hamlin on tying on to the Hamlin pipeline at the closest place if this plan is adopted. The Anson North Lake is about six miles south of Tuxedo, where the Hamlin pipeline runs.

## Mrs. Emma Norton Dies Friday After Lengthy Illness

Mrs. Emma Easter Payne Norton passed away at the home of her son, Benson Payne, five miles east of Hamlin, where she had made her home, at 11:45 a. m. last Friday. Mrs. Norton had been in failing health for about two years, bedfast for six months and seriously ill for six days.

Deceased was born Emma Easter Hilton in Carroll County, Georgia, on May 22, 1877, to the late Mr. and Mrs. Francis Hilton. At the age of 17 she was married to J. Hal Payne in Georgia. To this union were born 10 children, six boys and four girls, all of whom survive except one son, Ernest, who died in infancy. Mr. Payne died in January 23, 1933. In May, 1936, Mrs. Payne married H. O. Norton of Medicine Mound. He died December 26, 1949.

Mrs. Norton was a member of the Dovie church.

Funeral services were held Sunday afternoon at the First Baptist Church in Hamlin. Officiating were Rev. O. M. Butler, Methodist pastor of Vernon; Rev. Sam King, Nazarene minister of Hamlin; and Rev. Houston Walker, pastor of the First Baptist Church in Hamlin.

Surviving Mrs. Norton are five

## Bunnie's Village Inn Opened on East Lake

Formal opening of the newly completed Bunnie's Village Inn, drive-inn cafe on East Lake Drive, was held Monday afternoon, when doughnuts, cakes and coffee were served to scores of visitors.

The eating place is completely new, sporting modern fixtures and new color treatments that complement new fixtures. Besides the coffee shop, a spacious private dining room is provided, and curb service also will be given.

sons, Tray Payne of Jal, New Mexico, Brown Payne of Bremen, Georgia, Gordon Payne of Stockton, California, Ira Payne of Permyton, and Benson Payne of Hamlin; four daughters, Mrs. Ethel Goodgame of Hamlin, Mrs. Jessie Dickson of Miles, Mrs. Eva Newcome of Stockton, California, and Mrs. Nellie Stauffer of Ojai; two step-sons, Morrow Norton of Vernon and Gladen Norton of Medicine Mound; and two step-daughters, Mrs. Lois Jenkins of Chillicothe and Mrs. Pearl Cole of Vernon; 28 grandchildren, 16 great-grandchildren and a number of step-grandchildren.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home. Pallbearers were J. D. Adams, Gerald Renfro, Claude Bessire, Charlie Lee Adams, Ollie Cohorn and Bill Adair.

## FHA Group to Name Local Chapter Beau

Members of the Hamlin chapters of the Future Homemakers of America elected their beau at a called meeting Tuesday afternoon at the high school.

The four boys nominated were Holly Toler, Dennis Johnson, Paige Baize and Dee Prewitt. The outcome of the final vote will be announced in the FHA assembly Thursday.

## McMurry Students Present Program At Lions Luncheon

Students from McMurry College in Abilene presented a variety program as a feature of the Tuesday noon luncheon of the Hamlin Lions Club at the oil mill guest house.

D. P. Ammons, guitarist, played and sang two numbers, "I'll Never Tell Another White Lie" and "Blue Skies." Audrey Carver played "Chui, Chui" and "Star Dust" on her xylophone. Kenneth Mills sang "A Little Bit of Heaven" accompanied at the piano by Clarice Douglas. Presiding for the program was Milton Chester, a ministerial student from Pennsylvania, who presented some information about McMurry College as well as interspersing his presiding with yarns.

G. T. Black, coach at Hamlin Junior High school, was initiated as a new member. Lion Tamer Jess Parrish performed the rites.

Final report on proceeds of the recent broom sale conducted by the Lions was presented. Sales totaled \$1,204.92, from which a share of \$278.34 went to the local club's treasury.

W. T. Johnson, treasurer of the Hamlin Foundation, was presented a check for \$300 as the club's donation to the Hamlin swimming pool.

Besides the program principals, other guest at the luncheon Tuesday was Grady Smith.

Next week's meeting of the club, it was announced, will be held Monday at noon, when Dr. Willis A. Sutton, internationally known educator, will speak.

## Final Services for Mrs. H. O. Cassle Held Last Thursday

Final rites for Mrs. H. O. Cassle, 72-year-old pioneer Hamlin resident, who died last Tuesday in the Hamlin Memorial Hospital, were conducted last Thursday afternoon at 3:30 o'clock at the First Baptist Church.

Officiating at the services was Rev. Houston Walker, pastor of the church where she had been a member for almost half a century. Assisting was Rev. Miles B. Hays of Lueders, former pastor.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home. Nephews and grandsons of the deceased were pallbearers.

Born Oma Davis on October 17, 1883, at Bluffdale in Erath County, Mrs. Cassle moved with her husband to Hamlin in 1905 when the townsite was being organized. The family lived for many years just southeast of Hamlin on California Creek. Mr. Cassle, a former civic leader and business man, died last year.

Surviving Mrs. Cassle are two sons, V. Arlie Cassle of Hamlin and H. O. Cassle Jr. of Hutchinson, Kansas; two daughters, Mrs. Harriett W. Pitzer of Chickasha, Oklahoma, and Mrs. Duffield Smith of Dallas; and four grandchildren.

## Baptist Women of Hamlin Named to Places in County WMU Organization

Mrs. Houston Walker of Hamlin was installed as president of the Jones County Baptist Association-Woman's Missionary Union at the annual meeting at Stith last Thursday.

Other Hamlin officers who were installed were Mrs. J. R. Howe, treasurer and corresponding secretary; Mrs. Woodrow McHugh, chairman of the newly created committee of prayer.

Mrs. Ray Dell Lefever of Bethel conducted the installation, using an airplane travel theme.

Mrs. Fred Leveretts of Noodle was new recording secretary; Mrs. C. Saladin of Anson, historian;

Mrs. Buster Brown of Lueders, Royal Service chairman; Mrs. Bill Crafton of Stamford, community mission chairman; Mrs. Claude Harrell of Bethel, mission study; Mrs. C. L. Thurman of Anson, young people's director; Mrs. J. N. Easterwood of Anson, chorister; Mrs. Johnnie Agnew of Fairview, pianist.

Mrs. Ed Wiggins of Hamlin gave the devotional on "What Would You Do with Jesus?" The theme of the meeting was "Doing the Word of the Lord Together."

Mrs. O. B. Woodrum of Abilene was morning speaker. She told of Baptist work in Cuba, which

## Vera Mae Tidwell to Marry Lubbock Man

Mr. and Mrs. A. C. Tidwell of Route 4, McCauley, are this week announcing the engagement, and approaching marriage of their daughter, Vera Mae, to James Marvin Barnes, son of Mrs. H. T. Boyd of Lubbock.

The couple will be married December 23 at 6:30 p. m. at the First Baptist Church in Hamlin. Friends of the family are invited to attend the wedding, the Tidwells announce.

Miss Tidwell is a graduate of Hamlin High School. Both the young people are junior students at Hardin-Simmons University in Abilene. They plan to continue their school work after their marriage.

## Good Neighbor Club Makes Plans for Christmas Dinner

Plans were made for the annual Christmas dinner for members and their families, when the Good Neighbor Home Demonstration Club met Tuesday afternoon with nine members and one visitor present. Hostesses were Mrs. Mildred Weaver and Mrs. Alice Westmoreland.

After a prayer led by the president, Mrs. Mildred Weaver directed a game, and the roll was called and minutes read.

It was reported that the rummage sale held recently in Anson netted \$32. This amount, with \$43.80 made from the Mack Fletcher show which the club sponsored in February, will go to the club's pledge of \$100 on the Hamlin swimming pool. The unit voted to pay off the pledge.

Council report was given by Mrs. Charlene Joiner in the absence of the council delegate.

Date of the annual Christmas dinner was set for December 2 at 7:00 p. m.

The county agent, Jimmie Lou Wainwright, gave an interesting program on "Lighting the Kitchen." She discussed the various types of lights and their position in the kitchen, then showed slides of model kitchens. This program terminates the series of studies the group has made on kitchens for the past three years.

Members of the club are urged to be present at the November 8 meeting as several matters of vital importance are to be taken care of.

## Marylyn Fletcher to Edit College Annual

Marylyn Fletcher, daughter of Mr. and Mrs. W. L. Fletcher Jr. of Hamlin has been chosen editor of the yearbook at Central Christian College at Bartlesville, Oklahoma, where she is a sophomore.

Marylyn also holds the following offices: Secretary of the Texas Club, Student Council secretary-treasurer, and is a member of the girls' quartet.

## Beta Theta Chapter Makes Donation to Dystrophy Research

Members of the Beta Theta chapter of Beta Sigma Phi voted to contribute to the muscular dystrophy research fund when they met for their regular meeting Tuesday afternoon at 4:00 o'clock in the ranch home of Mrs. W. F. Martin.

Refreshments of cheese cake, finger rolls and fudge and coffee were served from a buffet table centered with a green crystal centerpiece containing autumn fruit.

The business session was conducted by Mrs. Gerald Young. The muscular dystrophy research fund is a state project of the sorority.

Mrs. Garland Preston gave a report of the treasury.

Mrs. H. L. Mehaffey brought the program for the day on "The Art of Dress" and illustrated her talk with pictures of fashions.

The ritual of jewels for the seven pledge of the sorority will be conducted at the next meeting, November 8 in the home of Mrs. Garland Preston.

Members and pledges attending were Mrs. L. C. Bonds, Garland Preston, Brad Rowland Jr., Truman Nix, Jess Parrish, Billy Joe Wilson, Gerald Young, Austin Poe, Arlie Cassle, Ed Boaz, H. L. Mehaffey, Jim Herring, Wilson Brannon and the hostess.

## Federation Counselor Presents Report at Literary Club Session

The federation counselor's report was given when members of the Woman's Literary Club met Friday afternoon in the home of Mrs. John D. Ferguson. Mrs. M. T. York made the report.

The president, Mrs. Clyde Grace, called the meeting to order and asked for the club collect to be read, led by Mrs. Weldon Johnson. Minutes of the previous meeting were read by Mrs. W. T. Johnson, secretary, and 22 members answered roll call.

Mrs. Stanley Carmichael, director, introduced the program. Mrs. R. D. Moore gave an introduction of the course of study for the ensuing year, "The Next America." "The Challenge to Democracy" was presented by Mrs. James Fitzgerald.

Mrs. L. H. McBride closed the meeting with prayer.

## "Conscience" Supper Enjoyed by Members Of Friendship Club

A "conscience" supper was enjoyed by members of the Friendship Home Demonstration Club and guests Tuesday evening at the oil mill guest house.

Present to enjoy the supper and festivities were Mr. and Mrs. Grady Smith, Jerry and Joyce Ann, Mr. and Mrs. Jap Kemp, Mr. and Mrs. Ester Hastings, Velta and Helen Kay, Mr. and Mrs. Fred Young, Mr. and Mrs. Harvey Elkins, Mary Ann and Patricia, Mr. and Mrs. Gean Witt and Linda, Mr. and Mrs. June Jones, Mr. and Mrs. L. R. Witt, Mr. and Mrs. Harold Buchanan and Butch, Mr. and Mrs. Sol Branscum, Mrs. D. W. Carlton, Mrs. J. E. Hix, Mrs. John Hix and Charles, and John Hudson.

## Methodist Women Study Mission Work

A program on foreign missionary work was studied when members of the Anderson Circle of the Woman's Society of Christian Service of the First Methodist Church met Monday in the home of Mrs. B. H. Gardner. The session was held at the newly selected time of 3:00 p. m.

The meeting was opened with a prayer by Mrs. W. H. Parker. A treasurer's report was made by Mrs. Copeland. A motion was made to send gifts to members who have been absent because of illness.

The program was led by Mrs. Jayroe. Those assisting her were Mrs. Tom Teague, Mrs. Roy Harrison and Mrs. Varner. The program was closed by a prayer led by Mrs. Jayroe.

Coffee and cake were served by the hostess to 12 members.

The best shelter in an H-bomb attack is a good record.

## Prof. Harold Williams Speaks on Safe Driving Program for Fifty-Two Club

Chocolate ice box cake and coffee were served at the home of Mrs. Gene Grice, with Mrs. Dale Lain as co-hostess, when members of the Fifty-Two Study Club met for a safe driving program.

Harold Williams, guest for the day, told the club members that "The aims of driver education in the school are: Character building, the appropriate age, greatest number of pre-licensed drivers, cultivating courtesy and respect for state laws."

He said, "The majority of accidents occur at intersections, the probable cause being the improper viewing range of the drivers." He went on to say that all traffic accidents are preventable, and that there is always a cause.

Williams declared that most accidents, when reported in the papers, read, "Mr. X dies in car crash," but they should be stated as "Mr. Y hit Mr. X." One rule the speaker gave for drivers was to allow 20 feet distance between traveling cars.

Mrs. S. C. Ferguson Jr. told about the Safe-Teen program, which was organized in the state of Oregon by Judge Cook.

Members agreed to bring materials for the German Youth Association.

Mrs. James Josey was elected to membership in the place of Mrs. Gean Witt, who resigned.

It was announced that the Safe Driving Day program will be conducted at the high school Friday from 1:00 to 4:00 o'clock p. m.

Those present for the session were Mrs. W. S. Seals, W. C. Westbrook, Gene Westmoreland, Joe League, Ned Moore, E. J. Hawkins, Harry Martin, Byron O. Bell, F. B. Moore Jr., Noel Weaver, Wilson Brannon, Dean Witt, Cecil Sellers, Irby Weaver, Dale Lain, W. F. Martin, S. C. Ferguson Jr., L. C. Bond and Gene Grice.

Juvenile delinquency would decrease if parents tried to understand their children rather than try to remodel them.

## "Hot Flashes Stopped" or strikingly relieved

in 63-80% of cases in doctors' tests

• If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life," you may be suffering unnecessarily!

• For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"

So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves!"

## Calli Creek Philosopher Wants to Get Money on Same Terms England Gets It

Editor's Note:—The Calli Creek Philosopher on his Johnson grass farm on California Creek has dashed a little comment, and we asked him for a picture, which we wish we had not done. But since he sent it along we're publishing it with his second letter, which this week incidentally reveals a considerable ignorance of international finance.

Dear Sir:—I will in a copy of the Star-Telegram which I got in town Saturday because it was wrapped around the shoes I had half-sold, where England some time ago negotiated a loan from the United States and the terms was so interesting to me I have been wondering why we can't have some banking like that down here in Jones County. But as I understand it, the United States loaned Great Britain four billion dollars and won't so interest start until 1956 and when I do start it will be 2 per cent with the provision that England

Too Late for Last Week.

Patients admitted to the Hamlin Memorial Hospital since last report in The Herald have included: Mrs. L. C. Boyd of Aspermont, surgery, October 14; Mrs. Stanley Olyen, ob., October 15; Nelson Shave, medical, October 15; Douglas Carlton, medical, October 15; J. F. Weaver, medical, October 15; Evelyn Kidwell, medical, October 15; Mrs. E. C. Gray Jr., medical, October 16; Mrs. Marvin Carlton, medical, October 17; D. M. White, medical, October 17; Tom Campbell, medical, October 17; Mrs. J. C. Peters of Roby, medical, October 17; Clyde Johnson, medical, October 18; Mrs. Tom Nall, medical, October 18; Mrs. Andy Bundas, medical, October 18; J. E. Harvison of McCaulley, medical, October 18; Mrs. Rose Pombly, medical, October 18; Mrs. Fred Roseberry of Arson, ob., October 18; The Roberts of Sylvester, surgery, October 18.

Patients Dismissed—Mrs. J. L.

Patients Dismissed—Mrs. J. L.

Patients Dismissed—Mrs. J. L.

can ignore the interest if her exports fall below sixty per cent of what they were immediately before the last war started. Now, there's a system of banking which I admire and I would like to know why Banker Tate May and Banker Ted Russell don't get their banking principles up on the international level and really do some business.

If the bank will loan me money without no interest until 1956 and then none if my farm don't produce sixty per cent of what it did before the war, and I figure I can arrange to keep production down to that figure without no effort at all to speak of, there ain't no tellin' how far I could go or how much business the bank could do with me.

I understand the United States is making this loan because it is worried about England join' under, and the same thing would apply in my case. I could meet them terms satisfactorily. But it is my opinion England ain't in no serious danger as long as there is Englishmen left smart enough to negotiate these kinds of loans.

If you know of any bank in this area dealing in international loans I will appreciate your letting me know as soon as possible and I hope to get there before the money's all gone.

Yours faithfully—J. A.

## Pipers Go to Anson Tonight For Second Conference Tilt

### Usual Hot Rivalry Between Schools To Feature Game

Going away from home again tonight (Friday) for the second District 4-AA conference football game, Hamlin's Pied Pipers will meet the Anson Tigers on the grid at the county seat tonight at 7:30 o'clock.

While the Pipers enter the fray with a better statistical record for the year than Anson, the tilt is expected to have the usual inter-city rivalry that has made it a highlight of every engagement between representatives of the two schools. Head Coach Truman Nix told a Herald reporter Wednesday.

Anson has lost six games in a row, bowing before Ballinger, Coleman, Albany, Haskell, Winters and Merkel. Three of those teams, Ballinger, Haskell and Winters, also defeated the Pipers in pre-conference play.

Hamlin has lost five and won two tilts this season. Coach Nix said Wednesday that two of his regular starters, Halfback Holly Toler and Quarterback Kenneth Parker, have been slowed this week by colds, but they are expected to mix things with the Tigers. No major injuries so far will hamper the line-up, Nix said.

Hamlin's Pied Piper Band and the girls' Pep Squad will follow the team to the county seat and perform at the game.

Tickets for tonight's game are

### DISTRICT 4-AA STANDINGS

Full season standings kept the same ratings after last week-end tilts found four of the five teams in District 4-AA competition. The standings look like this:

Team	P.	W.	L.	Pct.
Stamford	7	7	0	1.000
Colorado City	5	3	2	.600
Rotan	6	2	4	.333
Hamlin	7	2	5	.287
Anson	6	5	0	.000

Team	P.	W.	L.	Pct.
Stamford	1	1	0	1.000
Colorado City	1	1	0	1.000
Rotan	1	0	1	.000
Hamlin	1	0	1	.000
Anson	0	0	0	.000

Team	P.	W.	L.	Pct.
Stamford	26	6		
Colorado City	28	0		
Haskell	21	0		

Where They Play Tonight:  
Colorado City at Stamford.  
Hamlin at Anson.  
Rotan, open date.

**WORSE FROM INSIDE.**  
Moe—"You must have had a terrific night last night, you eyes are sure bloodshot."  
Joe—"You oughta see them from this side."

on sale at all three drug stores in Hamlin, according to Principal B. V. Newberry. The entire east stands at Anson have been allotted Hamlin fans.

### East Side of Anson Stadium Given Hamlin

Entire east side of the Anson football stadium of 800 seats has been allotted to fans from Hamlin, it was announced Tuesday by B. V. Newberry, Hamlin High School principal.

Tickets are available at all three Hamlin drug stores. Adult tickets are \$1 and student tickets are 50 cents. No reserved seats are available for Hamlin for the Anson game, Newberry says.

### Junior High Gridders Play Anson Tuesday

Next Tuesday evening the Hamlin Junior High School gridders move to Anson to contest the Tiger Cubs in a conference tilt. Game time will be 7:00 o'clock. The Mighty Mice have a formidable grid machine that is clicking nicely under the tutelage of G. T. Black.

Any time you find that truth stands in your way you may be very sure that you are headed in the wrong direction.

A fine fuel—is what you'll say about Butane Gas—it's economical too

## Mighty Mice Drop Tuesday Game to Merkel Crew 20-12

Hamlin Junior High School's Mighty Mice dropped a well-contested football game to the Merkel Little Badgers Tuesday night on the Hamlin grid by a 20 to 12 score.

Hamlin used recovered fumbles to control the ball for most of the first quarter. Late in the first quarter the Merkel fullback race d70 yards on a reverse to put his team in the lead. Half-time found Merkel leading 7 to 0.

Hamlin came close to tying up the ball game in the third quarter when Billy Hallmark scored on a quarterback sneak from two yards out, but try for extra point failed.

Merkel completed a long pass down the middle to place the ball in scoring position and drove for six more points.

In the fourth quarter Merkel ran their lead to two touchdowns after a 50-yard drive.

The Mice came back to cut the Merkel lead to one touchdown when Ken Prewit crashed over from two yards out.

### Receipts at Last Two Grid Games Gratifying

Receipts at the last two football games played by the Pied Pipers of Hamlin High School have been above average, reports C. F. Cook, superintendent of schools.

Gross receipts at the Spur game played at Hamlin were \$1,246.50. After officials were paid, each school received \$570.05.

At the Colorado City game played there the gross receipts were \$1,294.50. After officials were reimbursed, the school's each received \$591.25.

## Teams in District 4-AA Grid Play Take Expected Positions After First Games

With two games of the District 4-AA football race reeled off last week-end by four of the five member teams, the conference race took form that probably will be maintained the balance of the season. Anson played the lone non-conference tilt, losing to the strong Haskell Indian tribe by a 21 to 6 count in a melee played on the Haskell grid.

The Haskell victory further pushed the District 4-AA reputation for the season down.

Stamford's victory over Rotan's Yellowhammers was the thing expected in those two teams' district opener last Friday night at Rotan when the score was 26 to 6. Halfback Don Campbell scored for Stamford in the first period, plunging over from the four-yard stop, and Melvin Stevenson kicked the extra point. Mike McClellan raced 10 yards for the second marker. Campbell and McClellan each scored again in the third quarter. Rotan's lone touchdown came in the fourth period on a 12-yard pass from Fullback Wesley Minton to Halfback Jerry Black. Stamford rolled up 17 first downs and 309 yards on the ground to nine first downs and 70 yards running for Rotan. Rotan completed 11 of 30 pass tries for 98 yards gain.

Colorado City fielded an improved Wolf pack Friday night on the Mitchell County capital gridiron when they trimmed the sails of the Hamlin Pied Pipers by a 28 to 0 count. Scoring for Colorado City were Don Fite who accounted for three touchdowns and Left End Jim Johnson. Frank Mackey booted four straight extra points for the Wolves. Colorado City racked up 18 first downs and 333 yards running to seven first

downs and 83 yards on the ground for Hamlin. The Wolves connected with three of four pass tries for gains of 66 yards, while the Pipers completed five of 14 aeriels for 55 yards gained.

Haskell Indians' 21 to 0 defeat of the Anson Tigers Friday night further strengthened Haskell's reputation as one of the strong Class A teams of West Texas.

All three of the Haskell touchdowns came in the last half after the Tigers played the scalpers to a standstill in the first two periods. John Holt, Haskell center, intercepted Jimmy Roberts' pass on his own 40-yard stripe and cutran the field to score the first tally. Mullins scored the second six-pointer from the five after Bob Starr set the stage with a 42-yard pass to Byrd. Bob McCoy accounted for the third touchdown on a seven-yard pass. Jim Byrd kicked all three extra points after touchdown.

### More Courts Needed For Tennis Activities

With an outstanding victory against the AAAA Abilene high school team last week-end, Coach Doyle B. Smith's Hamlin High School tennis crew continues to show improvement, declares the coach, as he is arranging other matches against area teams.

Tennis sport fans at Hamlin have expressed the hope that better facilities will be built for this long neglected interest that exists in the sport of tennis.

Coach Smith states that he hopes to be able to invite outside teams to Hamlin for return matches if enough courts are ever available here.

### TROUBLESOME.

Some people have just conscience enough to make them miserable—it is too strong to let them walk the wrong way in peace.

### B String of Juniors to Play Roby Thursday

B string of the Hamlin Junior High School Mighty Mice football crew was due to meet the Roby juniors last night (Thursday) in a return match.

The Roby boys won the first tilt between the two teams by a 14 to 0 score. No admission is being charged to the B string games.
